Ugly Canadian:

Canada in Afghanistan Owen Schalk, 2023-08-29 How and why Canada went to war in Afghanistan what Canadians were doing on the ground and why the effort failed to achieve any of its aims military humanitarian or diplomatic Canadian leaders then and now claim great success for Canada's role in Afghanistan from 2003 to 2014 and beyond Though 151 Canadians were killed in combat the Canadian military played a key role in fighting the Taliban Canada built schools restored a major dam and advised a government on elections and economic development Yet within hours of the final withdrawal by US troops in 2021 the government collapsed The Taliban returned to power Why did Canada send our military to fight the Taliban and occupy Afghanistan Why was the mission a failure And why have Canadian governments failed to analyze the reasons for this failure In this book independent scholar Owen Schalk offers a history of Canada's role in Afghanistan He discusses why Canada's efforts and those of the US and others failed And he shows how the Canadian media did not report accurately on the war and misinformed the public during the war and afterwards Owen Schalk provides an incisive illuminating account of Canadian involvement in a war that cost lives and many billions It's a story that Canadian officials would prefer not be told

The Sixties in Canada M. Athena Palaeologu, 2009 An extraordinary work that brings to life the events and trends of the 60s in Canada Targeting Libya Owen Schalk, 2025-10-07 For over four decades Canada has played a pivotal yet little known role in Libya's history In Targeting Libya investigative journalist Owen Schalk examines how Canadian business and government actors influenced Libya's fate from the rise and fall of Muammar Qadhafi to the country's ongoing instability in the present day Schalk details the beginnings of Canadian business and government dealings in Libya curiously timed visits by federal cabinet ministers Canadian military participation in the 2011 NATO led bombing of the country CSIS collaboration in interrogation techniques involving torture the SNC Lavalin corruption scandal that plagued the Trudeau government the criminal conviction of senior executives for bribery in the Canadian courts and more A compelling account of military intervention corporate power and the realpolitik of international affairs Targeting Libya will appeal to those interested in global politics military history and Canada's evolving role on the world stage Owen Schalk dismantles the myth of Canada as a neutral peacekeeper revealing how corporate and political interests have driven decisions with lasting consequences for Libya and beyond

Canada's 1960s Bryan D. Palmer, 2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada's 1960s examines the legacy of this rebellious decade's impact on contemporary notions of Canadian identity *The Canadian Forum*, 1920 *Canada Lumberman and Woodworker*, 1930 **The Ugly Canadian** Barbara Murphy, 1999 Who's to blame for the decline of Canada's once renowned social programs This book argues that it's not the politicians not big business glorifying the free market but Canadians in general It provides compelling evidence of our loss of compassion during the last quarter of the twentieth century and our new demands for a harsher approach toward less fortunate Canadians a harshness reminiscent of the century's early years In the

interim we supported progressive social policies that set us apart in North America Today we disown them and have become less attractive Canadians in the process
