The Easy Mousse Cookbook Anthony Boundy,2018-05-04 I started to substitute mousse as my dessert of choice over cake and pie when my husband commented on a heavy pasta meal I had prepared He said that he didn t want the apple pie I had just taken out of the oven because it would be like having a thick piece of sweet dough on top of the stomach full of noodles he was digesting I decided to experiment with lighter desserts like puddings mousses and frozen treats This book is the result of the many mousse recipes I tried and thoroughly enjoyed The one thing I enjoy about mousse is how decorative you can be when serving it As you will see in some of the entries in this book I have presented the mousse in a coconut shell a small beer glass with a handle and in a bowl garnished with thick melted chocolate I urge you to get creative even if it is just a piece of fruit on top to make your dessert memorable as well as delectable
