**The Word and Power Church** Doug Banister, Douglas Banister, 2002-02 This is a ground breaking work by Pastor Doug Banister about why and how the walls between evangelicals and charismatics can come down in the setting of a Word and Power church and a blueprint for making it happen [The Word and Power Church](#) Douglas Banister, 2009-09-03 You don't have to head overseas to find a war In the church the rhetorical cross fire between evangelical and spirit filled Christians over the past hundred years has been withering No scriptural foundations is the charge evangelicals have leveled at the charismatics No spiritual power the latter have countered The boundaries are clear The positions are taken and guarded Either you're a Word person or a Power person Today though such black and white either/or thinking is giving way to the liberty and promise of a Word and Power church Pastor Doug Banister shows why we cannot afford to settle for less It's time to bury our differences which are largely artificial and discover the incredible potential that arises when evangelicals combine their strengths with Pentecostals and charismatics Taking a long careful and honest look at the Scriptures at church history and at the state of the church and the world today Pastor Banister reveals why Pentecostalism and evangelicalism need each other Each tradition possesses strengths that are essential to a balanced life changing faith The Word and Power Church shows how these two mighty rivers add to rather than subtract from each other At the cusp of a new millennium they are in fact merging into one river Word and Power churches may experience turbulence where the waters meet but they teem with life hope faith and power to reach a desperate world with the Gospel Filled with personal anecdotes this fascinating thought provoking and candid book supplies the why's and how's of a Word and Power approach What you won't find is preferential treatment of one view over another What you will find are thoughtful biblical insights that will challenge you and inspire you And you'll discover practical guidance for charting your own course whether as an individual or as a church toward a faith that embraces the truth of the Word and the power of the Spirit As a solidly evangelical seminary graduate and pastor Banister admits to having disdained charismatics That is until meticulous study of God's Word convinced him that miraculous gifts of tongues healing and prophecy are indeed valid for today As he details his journey beyond categories Banister explores the reasons for the age old rift between the two camps and the ways in which healing is taking place in new Word and Power churches all over America When evangelicals and charismatics bring together the best from each tradition he has discovered that the result is a strong unified body Word and Power churches affirm the authority of Scripture and encourage the prophetic embrace of those who pray in a spiritual language pursue obedience to Christ edify the believer and evangelize the seeker heal the sick and comfort the suffering The Word and Power Church will speak to Christians everywhere who want to walk in both the integrity of Scripture and the power of the Holy Spirit *Revival Preaching* Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost He believes strongly that God honoring Christ exalting

and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection Revival Preaching extracts the most important lessons of Edwards s writings and sermons for preaching in today s world **God's World and Word** Neal Larkin Anderson,1926 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* ,1997 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986* ,1997 The Elder Question Geneva,1859 *The Living Church* ,1917 *The unity and harmony in God's word, as found in the Bible, the world, and man* John Coutts (of Highbury.),1881 Church Dogmatics: The doctrine of the word of God. 2 pts Karl Barth,1956 The Homiletic Review ,1896 Word and Work of David J.
