Words Of Still Water:

Words and Worlds ,2009-01-01 In this book the reader is invited to enter a strange world in which you can tell the age of the captain by counting the animals on his ship where runners do not get tired and where water gets hotter when you add it to other water It is the world of a curious genre known as word problems or story problems It originated in the ancient civilizations of Egypt China and India and is the subject of daily rituals among students and teachers in mathematics classrooms all around the world An international group of scholars with a shared interest in this phenomenon explore multiple aspects of this world from multiple perspectives These discussions take us deep into philosophical issues of the relationships between words mathematical systems and the physical and social worlds we all inhabit Empirical investigations are reported that throw light on how students and their teachers experience and interpret this activity raising profound questions about the nature and purposes of mathematics teaching learning in general and how it could be improved

Green Pastures and Still Waters for the Flock of God Julius A. Von Poseck,2015-04-10 Publisher's note This written statement was penned over a 100 years ago The following was written nearly six years ago It was only after much hesitation and prayer that at the repeated requests of some esteemed Christians and after a careful revision I have resolved to commit these notes to print I confide in the well known forbearance of my dear fellow Christians in this country as to the imperfections of expression The twenty third Psalm has been so interwoven with the whole of my Christian course of more than 26 years and our gracious Shepherd has from this precious portion of His Pasture whenever I turned to it so often blessed my soul that I could resist no longer the desire to communicate to others what He has been pleased to give to me The dispensational side of our Psalm I have only occasionally touched upon as the chief object of it is the feeding of the soul on Christ Consequently even the great Christian principles of truth foreshadowed and embedded in this Psalm are considered only as far as they concern the flock of God for instance the question of worship at the Lord's Table where we feed upon His death when We sing of the Shepherd that died That died for the sake of the flock For however important a place the Church as such may occupy at that blessed Table of our Lord and in His counsels yet this portion of divine truth would be out of place in our Psalm May God keep us from growing into cool and enlightened churchmen to the neglect of the pastoring of the flock for whom the Good Shepherd died

Beneath Still Waters Annie Seaton,2025-11-20 In the aftermath of a personal decision Shea O Byrne has retreated to Melbourne combining her career as a vet nurse to study counselling in pregnancy loss a pain she understands all too well The move leads Shea to Professor Eliza Westfield and a new friend Heath whose gentle persistence begins to crack the walls around Shea's heart When her father's genealogical research uncovers a long buried secret and delves deeper into the life of Catherine O Byrne Samuel's independent daughter whose story eerily mirrors Shea's past and present collide in unexpected ways When Shea's former lover follows her to Wentworth bringing with him the painful secret she's kept from everyone she must finally confront the choices that have shaped her life Shea must decide if
