Dunklin,1963 **The Cambridge Bibliography of English Literature** Frederick Wilse Bateson,1940 The Design of Biographia Literaria Catherine M. Wallace,2016-06-17

First published in 1983 this book examines a work whose intricacies have baffled and infuriated generations of readers and proposes a theory of Coleridge s writing habits that explain s his explanation The author painstakingly analyses the Biographia s organising structure distinguishing between the daring conception and often inept execution of Coleridge s idea of critical discourse It is argued that Coleridge s autobiographical format present a richly metaphorical self whose literary life has led to the now famous doctrine of secondary imagination The author s command of Coleridge scholarship will shed new light on the Biographia for specialists and non specialists alike **The Emergence of Romanticism** Nicholas V.

Riasanovsky,1995-05-18 Although primarily known as an eminent historian of Russia Nicholas Riasanovsky has been a longtime student of European Romanticism In this book Riasanovsky offers a refreshing and appealing new interpretation of Romanticism s goals and influence He searches for the origins of the dazzling vision that made the great early Romantic poets in England and Germany Wordsworth Coleridge Novalis and Friedrich Schlegel look at the world in a new way He stresses that Romanticism was produced only by Western Christian civilization with its unique view of humankind s relationship to God The Romantic s frantic and heroic striving after unreachable goals mirrors Christian beliefs in human inability to adequately address God speak to God or praise God Further Riasanovsky argues that Romantic thought had important political implications playing a key role in the rise of nationalism in Europe Offering a historical examination of an area often limited to literary analysis this book gracefully makes a larger historical statement about the nature and centrality of European Romanticism **Dictionary Catalog of the Research Libraries of the New York Public Library,**
