**How to Juggle**

1 Start with one ball

- Stand up straight and hold one ball in your right hand
- Toss the ball gently to your left hand aiming for about eye level
- Catch the ball with your left hand
- Repeat this until you can throw and catch smoothly

2 Practice with two balls

- Hold one ball in each hand
- Toss the ball in your right hand to your left hand
- When the first ball reaches its highest point, toss the ball in your left hand to your right hand
- Catch both balls. Practice until you can do this easily

3 Add the third ball

- Hold two balls in your right hand and one ball in your left hand
- Start by tossing one ball from your right hand to your left hand
- When the first ball reaches its highest point, toss the ball in your left hand to your right hand
- Then quickly toss the second ball in your right hand to your left hand
- Continue this pattern. It's like making an "S" in the air with the balls.

4 Keep practicing

- Don't worry if you drop the balls. It's normal
- Keep practicing every day for a few minutes
- As you get better, try to keep the balls moving smoothly without stopping
