So Lyrical:

Why Theatre Matters Kathleen Gallagher, 2014-01-01 Kathleen Gallagher uses the drama classroom as a window into the daily challenges of marginalized youth in Toronto Boston Taipei and Lucknow

The Elizabethan Lyric John Erskine, 1903 A comprehensive review of Elizabethan lyric poetry with discussions of form meter themes and famous lyricists

The Grand Old Man and the Great Tradition Luisa Bienati, Bonaventura Ruperti, 2020-08-06 In 1995 on the thirtieth anniversary of Tanizaki Jun ichir's death Adriana Boscaro organized an international conference in Venice that had an unusually lasting effect on the study of this major Japanese novelist Thanks to Boscaro's energetic commitment Venice became a center for Tanizaki studies that produced two volumes of conference proceedings now considered foundational for all scholarly works on Tanizaki In the years before and after the Venice Conference Boscaro and her students published an abundance of works on Tanizaki and translations of his writings contributing to his literary success in Italy and internationally *The Grand Old Man and the Great Tradition* honors Boscaro's work by collecting nine essays on Tanizaki's position in relation to the great tradition of Japanese classical literature To open the collection Edward Seidensticker contributes a provocative essay on literary styles and the task of translating *Genji* into a modern language Gaye Rowley and Ibuki Kazuko also consider Tanizaki's *Genji* translations from a completely different point of view documenting the author's three separate translation efforts Aileen Gatten turns to the influence of Heian narrative methods on Tanizaki's fiction arguing that his classicism far from being superficial reflects a deep sensitivity to Heian narrative Tzevetana Kristeva holds a different perspective on Tanizaki's classicism singling out specific aspects of Tanizaki's eroticism as the basis of comparison The next two essays emphasize Tanizaki's experimental engagement with the classical literary genres Amy V Heinrich treats the understudied poetry and Bonaventura Ruperti considers a 1933 essay on performance arts Taking up cinema Roberta Novelli focuses on the novel *Manji* exploring how it was recast for the screen by Masumura Yasuz The volume concludes with two contributions interpreting Tanizaki's works in the light of Western and Meiji literary traditions Paul McCarthy considers Nabokov as a point of comparison and Jacqueline Pigeot conducts a groundbreaking comparison with a novel by Natsume S seki

Sartor Resartus Thomas Carlyle, 1889 *The Atlantic Monthly*, 1902 *The Academy*, 1909 *The Book on Adler* Søren Kierkegaard, 2009-10-11 Kierkegaard was driven to write *The Book on Adler* after news spread that a Danish pastor Adolph P Adler claimed to have experienced a revelation in which Christ dictated a new doctrine Like many others Kierkegaard was intrigued by Adler but for different reasons than most Over the eight years during which Kierkegaard worked on the manuscript the phenomenon of Adler became a concern secondary to the larger question of authority Kierkegaard revised the manuscript many times and published a segment of it as *The Difference between a Genius and an Apostle* in *Two Ethical Religious Essays* but did not publish the work as a whole before his death The latest integral version of *The Book on Adler* is included here along with excerpts from the earlier drafts and a sampling of writing by Adler himself
