Queering the South on Screen Tison Pugh,2020-04-22 Within the realm of American culture and its construction of its citizenry geography and ideology who are southerners and who are queers and what is the South and what is queerness Queering the South on Screen addresses these questions by examining the intersections of queerness regionalism and identity depicted in film television and other visual media about the South during the twentieth and twenty first centuries Southern queers on screen often reflect the fantasy of cultural stereotypes Editor Tison Pugh contends that when southern queers appear in films and on television and when southern queers watch these portrayals the inherent contradictions of these cultural depictions reveal the fault lines of gender geography and desire These underlying schisms point to the infinite if infrequently portrayed possibilities of actual queer southern life Examining a range of materials including gothic horror films and drag queens on public access television the contributors show that queer southerners have always expressed desires for distinctiveness in the making and consumption of visual media Read together the introduction and twelve chapters deconstruct premeditated labels of identity such as queer and southern In doing so they expose the reflexive nature of these labels to construct ideological fantasies of southerners regardless of the complexity of their lives International Dictionary of Films and Filmmakers: Actors and actresses Tom Pendergast,Sara Pendergast,2000 Contains over two thousand entries arranged alphabetically within four volumes that provide information about significant films actors and actresses directors and writers and production artists in North American British and West European cinematic history Includes photographs and indexes **The Great Celestial Railroad, from the City of Sin to the City of God** Olin Marvin Owen,1889 *The Baltic Review* ,1920 **Zenith International Film Corporation V. Tyler,1966 *The Studio* ,1902 **All the Year Round** ,1878 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1912 **Time** ,1924 Tennessee Williams Drewey Wayne Gunn,1991-11 More than an updating and expansion of materials this new edition is so different from the first as to constitute virtually a new book completely recast so as to bring all information about a particular work by Williams its often complicated publication history productions with reviews and

criticism including dissertations Separate sections list recordings paintings biographies and interviews manuscripts available at 19 institutions and translations into 36 languages Arranged alphabetically throughout with cross references and three indexes the bibliography is much easier for both the novice and the experienced scholar to use The data in the 1980 edition have been retained but more than a third of the information is new including primary and secondary publications appearing through early 1991 Over 40 new works by Williams and as many new productions appear including two foreign films largely unknown to scholars an opera and a ballet Also new are some 24 early works published under the name Thomas Lanier Williams a number of publications productions and ballets from the 1950s and many more reviews of early plays and films Premieres of all his full length plays as well as his first production at college are now accounted for **Box Office** ,1962
