Therese Isabelle:

The Pleasures of the Text Elizabeth Locey, 2002-01-15 This provocative reading of scandalous French woman writer Violette Leduc heralded as a great by Beauvoir Sartre Genet Camus erodes the divide between body and text in erotic literature In *The Pleasures of the Text* Elizabeth Locey sets herself the task of pinning down the often slippery ways in which pleasure is mapped onto the body of the reader and she confronts and challenges the philosophical debate between pornography and erotica

The Reign of Love and Chaos Nicola Italia, 2015-04-08 In the Arabian palace of the sheik serious and lovely Isabelle Fairfax is surrounded by her dotting family servants and wants for nothing When she comes of age she decides to travel to France to live with the Carmelite nuns who are a cloistered sect much to the shock of her parents Once in France she becomes a link to the outside world for the nuns and her days are spent in prayer solitude and bartering for goods in the small village Meanwhile less than fifty miles away a new French government is forming in Paris and Nicolas de Lieurrey is at the center of it Trained at the prestigious Lycee Louis le Grand school Nicolas is an engineer by trade but drawn to the new world swirling around him His best friend Max entices him to run as a delegate in the new government and together they have a front row seat to the changes in France However many of the changes are not good and as the restrictions on the religious houses increase Isabelle makes the journey to Paris to stem the anti religious fervor Nicolas is drawn to the innocent young woman even as his friend Maximilien Robespierre plunges France into a reign of terror killing thousands in the name of the new republic

Violette Leduc Alex Hughes, 1994 This study which reads Leduc s narratives from a feminist and psychoanalytic perspective has a double focus Part One scrutinizes the intricacies of her treatment of feminine bonding seeking to bring new insights inspired inter alia by theorists such as Melanie Klein Freud and Luce Irigaray to bear on her representations of mother daughter and lesbian relations Part Two examines Leduc s use of language in *Therese et Isabelle* probing the extent to which this novella contains examples of feminist and or feminine discourse By exploring Leduc s lyrical evocation of feminine homosexuality from both a gender related and a more traditional formalist standpoint the writer exposes the limitations of a purely feminist approach to her work
