UFO'S OVER CANADA DECLASSIFIED John Kuykendall,2019-03-30 Given all of the declassified files and recordings of unexplained aerial phenomena being made public in the United States it s no surprise that other countries including America s closest neighbors would begin disclosing their own interest in or knowledge of UFOs Case in point a new trove of documents have been released which shed light on the Canadian government s role in researching UFO phenomena What will these add to the growing body of declassified UFO files [The Canadian UFO Report](#) Chris A. Rutkowski,Geoff Dittman,2008-07-03 The Canadian UFO Reports is a popular history of the UFO phenomenon in Canada something that has captured the imaginations of young and old alike Drawn from government documents and civilian case files many previously unpublished the book includes a chronological overview of the best Canadian UFO cases from the very first sighting of fiery serpents over Montreal in 1662 to reports from the past year There are chapters on the government s involvement with UFOs UFO landing pads media interest and even UFO abductions What were the ghost airplanes seen over the Parliament Buildings in 1915 or the flying saucers seen by military officers over Goose Bay Air Force Base Newfoundland in the 1940s and 1950s Was a prospector burned by a UFO in Manitoba in 1967 Did a UFO crash off the coast of Nova Scotia Was Quebec invaded by UFOs in 1973 Find out here [UFOs Over Canada](#) John Robert Colombo,1996-08-08 UFOs Over Canada presents in highly readable style sixty eye witness accounts of UFO activity over Canada For the first time in one book contributors from accross the country recount their personal experiences in their own words [The UFO Files](#) Palmiro Campagna,2010-02-17 The UFO Files digs deep into the government s archives to unravel the true story of Canadas fascinating connection to the UFO phenomenon Weaving together eyewitness accounts and secret government files including newly declassified documents Campagna relates some startling episodes in Canadian UFO history **Search for the Unknown** Matthew Hayes,2022-04-15 Beginning in the 1950s alleged sightings of unidentified flying objects in Canadian skies bred tension between the state and its citizens While the public demanded to know more about the phenomenon government officials appeared unconcerned and unresponsive Suspicion of government deepened among certain sectors of Canadian society in the decades that followed leading to demands for greater public transparency and a new kind of citizen activism In Search for the Unknown Matthew Hayes uncovers the history of the Canadian government s investigations into reports of UFOs revealing how these reports were handled deflected and defended from 1950 to the 1990s During this period Canadians filed more than 5 000 reports of UFO sightings many with striking descriptions and illustrations with branches of government and law enforcement Although the government conducted some exploratory studies officials were unable to solve the mystery of UFOs or provide satisfactory answers about their alleged existence and they soon declared the matter closed Dissatisfied citizens responded by taking matters into their own hands starting UFO clubs and civilian investigation groups and accusing the government of a cover up A mutual mistrust developed between citizens who were suspicious of

their government and officials who dismissed their fears and anxieties This provided fertile ground for anti authoritarian attitudes and the cultivation of conspiracy theories In an era of political division and amid heightened awareness of states responsibilities for their citizens Search for the Unknown reveals the challenges that governments face in responding to public anxieties and preserving trust in public institutions *UFOs in the 1980s* Jerome Clark,1990 **Canadian Gazette and Export Trader** ,1919 **The Canadian Forum** ,1920 **Who's who in Canada** Charles Whately Parker,Barnet M.
