Body Language from Head to Toe Per-Olof Hasselgren, 2015-08-20 Written by a physician *Body Language from Head to Toe* is a dictionary of American idioms and other expressions that contain the name of a body part The use of body part related expressions is both interesting and fun This book contains about 2 000 such idioms words and expressions such as with the back against the wall brainstorming sweet tooth and tongue in cheek Says author Per Olof Hasselgren As a surgeon I understand the importance of anatomy and the knowledge of organs and tissues This book reflects my longstanding interest in idioms and other expressions referring to body parts and it connects anatomy with the spoken and written language This book was written for three main reasons First anatomy matters particularly in surgery During the last several years collecting such expressions became a hobby for the author Second as someone moving to this country from another part of the world Dr Hasselgren is interested in the peculiarities of the American language Idioms slang and other expressions are specific for any given language and quite often cannot be directly translated Third when one starts to be aware of them written and spoken body language can become quite entertaining

The Quarry Ben Halls, 2020-02-13 Halls stories show that even in zero hour austerity battered Britain the tenderness and warmth of human connection exists *The Quarry* is in the end a testament to this messy truth how love hate hope and fear have always lived on the same street GLEN BROWN author of *Ironopolis* You can see it in them all that anger inside it s toxic Throw some drink into it and everything bubbles over People say that they never see it coming the swing of the fist that kicks it all off but I can tell In these interconnected short stories we meet the men living on the Quarry Lane estate in west London These are men at work at the pub at home with their families lovers and friends Men grappling with addiction sexuality and the corrosive effects of toxic masculinity From a bouncer at the local nightclub to a postman returning to the streets of his youth and a young man thinking of all the things he d say and do to the father who left him behind this startling debut reveals the complex inner lives of individuals whose voices are too often non existent in fiction Powerful and impressive *The Quarry* marks the arrival of a bold new voice

 Elias,2005-08-16 The book covers the Book of Daniel the silent war against the Antichrist or the book the church does once
 The church is talking about Satan the False Messiah and the Antichrist What would you do if you had a chance to take down
 the Antichrist The Antichrist is going to make eighty two percent of the standing armies useless What should you do Are we
 cursed with the solution Is this Antichrist going to rule Is he going to destroy all that you worked for This sounds very serious
 all this terrorism and this Antichrist The only chance we truly have is the seven angels or seven stars of the church They are
