

A close-up photograph of a hand moving a dark chess piece on a board. The scene is softly lit, with a window in the background. A black, rounded rectangular overlay is positioned in the center, containing the text 'Our Ultimate Opponent' in a white, elegant cursive font. The chess pieces are arranged in their starting positions on the board, with the dark pieces on the left and light pieces on the right.

**The Ultimate Enemy** Wesley K. Wark, 2018-05-31 How realistically did the British government assess the threat from Nazi Germany during the 1930s How accurate was British intelligence's understanding of Hitler's aims and Germany's military and industrial capabilities In *The Ultimate Enemy* Wesley K Wark catalogues the many misperceptions about Nazi Germany that were often fostered by British intelligence This book the product of exhaustive archival research first looks at the goals of British intelligence in the 1930s He explains the various views of German power held by the principal Whitehall authorities including the various military intelligence directorates and the semi clandestine Industrial Intelligence Centre and he describes the efforts of senior officials to fit their perceptions of German power into the framework of British military and diplomatic policy Identifying the four phases through which the British intelligence effort evolved he assesses its shortcomings and successes and he calls into question the underlying premises of British intelligence doctrine Wark shows that faulty intelligence assessments were crucial in shaping the British policy of appeasement up to the outbreak of World War II His book offers a new perspective on British policy in the interwar period and also contributes a fascinating case study in the workings of intelligence services during a period of worldwide crisis

**Berserker The Ultimate Enemy** Fred Saberhagen, 2013-01-11 Long ago in a distant part of the galaxy two alien races met and fought a war of mutual extinction The sole legacy of that war was the weapon that ended it the death machines the BERSERKERS Guided by self aware computers more intelligent than any human these world sized battle craft carved a swath of death through the galaxy until they arrived at the outskirts of the fledgling Empire of Man These are the stories of the frail creatures who must meet this monstrous and implacable enemy and who by fighting it to a standstill become the saviors of all living things With help from wherever they can find it including World War I fighters and stomatopods earth descended humans face the ultimate enemy of all life A Saberhagen classic book length collection of the nine Berserker stories *The Smile Pressure The Annihilation Of Angkor Apeiron Inhuman Error Some Events At The Templar Radiant Starsong Smasher The Game Wings Out Of Shadow*
