

My husband,

If I could just have our last moments together I'd change them and I'd tell you how much I love you, how much it would hurt if you left me but unfortunately that wasn't our destiny... we hadn't spoken for a few weeks until that night you messaged me and told me you loved me and our daughter. I didn't reply because I was so mad with you, if only I knew that that's the last text I'd ever receive from you.

I'd of messaged you back...

I miss you so much, some days I can't breathe with the pain and other days I surprise myself. The days are getting better and the bad days a fewer than they were but my heart is fractured. I constantly feel an emptiness... its coming up to your 1st anniversary and I've sat and thought about it a lot. Should I do something to remember or should I just hide away. Nearly a whole year. I'm trying to be positive and see it as not a year without you but a year closer to seeing you again...

I love you so much and always will xx
