**The Art of Compassionate Business** Bruno R. Cignacco,2023-12-01 There are several well ingrained assumptions regarding the dynamics of work and business activities which can be refuted Some examples of these widespread assumptions in business and work environments are employees being viewed as commodities competitors perceived as threats companies resources seen as limited and customers perceived as scarce and difficult All this leads to the question Is there a way to perform business activities more humanely The second edition of this book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities The users of this knowledge and those affected by them will undergo a profound transformation in the way they perform business activities They will benefit from gradually testing and implementing the guidelines conveyed in this book both in the business environment and in the workplace When readers put these principles into practice positive ripple effects are bound to affect other stakeholders of the organisation they work for or own The author has refreshed all the concepts and examples introduced in the first edition which include aspects related to mission and vision passion business mindset organisational learning improvement of business conversations use of constructive criticism and betterment of relationships with the most relevant stakeholders customers suppliers intermediaries community employees etc The author also includes a discussion of creativity and the innovation process as well as other relevant aspects related to a healthy business environment and

provides various real life examples of companies which have adopted a loving attitude towards their stakeholders which has become so important in the current business environment **The 6 Types of Working Genius** Patrick M.

Lencioni,2022-09-27 New York Times best selling author Patrick Lencioni unveils a truly groundbreaking new model that will change the way we think about work and teams forever The 6 Types of Working Genius is the fastest way to help people identify the type of work that brings them joy and energy and avoid work that leads to frustration and burnout Beyond the personal discovery and instant relief that Working Genius provides the model also gives teams a remarkably simple and practical framework for tapping into one another s natural gifts which increases productivity and reduces unnecessary judgment In classic Lencioni fashion Pat brings his model to life in a page turning fable that is as relatable as it is compelling He tells the story of Bull Brooks an entrepreneur husband and father who sets out to solve his own frustration at work and stumbles into a new way of thinking that changes the way he sees his work his team and even his marriage What sets this book and the model behind it apart from other tools and assessments is the speed at which it can be understood and applied and the relevance it has to every kind of work in life from running a company to launching a product to managing a family In addition to this book Lencioni and the Table Group have created a 10 minute assessment that helps individuals quickly identify their gifts and apply this model to themselves and their teams Join the hundreds of thousands of people who have already discovered their Working Genius and experience the transformation in your work your team and your life Learn more about the Working Genius at WorkingGenius.com
