## **Work Of William Morris:**

*The Work of William Morris* Paul Thompson, 1991 Paul Thompson's study of Morris's many-sided genius has been widely commended as the best short account available. Now in its third edition containing a new and expanded selection of illustrations in both black and white and colour it has been extensively revised to take into account the ways in which Morris's concerns anticipate those of present-day feminists, environmentalists and educationalists.
