Texas Temptations:

Scorched Melissa Schroeder, 2018-09-18 Now with a new epilogue The first book in a new contemporary series from USA Today Best Selling Author Melissa Schroeder that is hot as the Texas sun As a firefighter Cooper Murray has had his share of close calls both on and off the job When he is injured in a four alarm fire he is left at the mercy of Misty his soon to be ex wife They've been estranged almost since their whirlwind romance and Vegas wedding No woman has ever made him so insanely crazy or tugged at his heartstrings the way she does Still being in the same room is always dangerous for both of them Misty is convinced she'll pay for her mistake of a marriage for the rest of her life Coop was the one man who had captured her heart and then he stomped on it and went back to Dallas She had just started to live her life again when she got the call about Coop and his injuries Misty isn't in the mood to play nursemaid but since he has refused to sign their divorce papers for eight months she plans on using his confinement to force him to do just that With his injuries forcing close quarters both Coop and Misty discover they have more in common than just the passion they share Little by little the pain of their past fades But when things get tough will they be able to hold the fragile new relationship together or are they doomed to commit the mistakes of their past

Mele Kalikimaka, Baby Melissa Schroeder, 2019-07-04 Anyone would love Christmas in Hawaii Well everyone other than Sophia Cantwell Being stuck working the holidays she is confronted by cousins Maleko and Jack Akaka who are not willing to sell their family's land They are so not her type of men but she can't ignore the jolt of desire that hits her when she meets them It doesn't matter he has a job to do and she is not a woman who ever thought of taking on two men Well not really Mal and Jack have shared women before but while they have never met a woman they wanted to keep one forever That is until they meet Sophia She is uptight completely wrong for them but neither of them can resist the corporate go getter The three of them cannot ignore their attraction and a night out in Honolulu turns into a night in bed for all of them One night changes all of their lives but Sophia has to decide between her career and a lifetime of happiness

Sweet Patience Melissa Schroeder, 2018-11-20 Now includes a new chapter and epilogue Chance MacGuire has always had good luck Great childhood great career and hell women are easy for him Except for Patience Sawyer The woman is a list maker Hell she makes lists of her lists Chance likes to go with the flow and see where he ends up He hates schedules But when she proposes they open a bed and breakfast together using her business savvy and his culinary skills he jumps at the chance Now if he can just keep his hands off her they'll be fine Patience is sure she's lost her mind Asking Chance to buy the Rosedale Plantation with her and open their B and B sounded like a great idea Forget the fact that he doesn't like following her business plans That she can handle But after the hottest kiss she has ever had keeping her mind on work and not on him is hard Although his laid back style should turn her off she is immediately drawn to him His easy going manner puts her at ease and they find themselves as perfect business partners When too much time spent alone together has their hormones in overdrive and they can't resist each other will they be able to forget their differences and find love This
