The Chalk Woman:

The Chalk Girl Carol O'Connell,2012-01-17 The eight year old girl appeared in New York s Central Park one day red haired blue eyed dirty faced smiling widely She looked perfect like a porcelain fairy except for the blood on her shoulders It fell from the sky she told the police It happened while she was looking for her Uncle Red who had turned into a tree Right they thought poor child And then they found the body in the tree For Mallory newly returned to the Special Crimes Unit after three months lost time spent she will not say where there is something about the girl that she understands Mallory is damaged they say dangerously unstable but she can tell a kindred spirit when she sees one And this one will ultimately lead her to a story of extraordinary crimes to murders stretching back fifteen years to blackmail and complicity and a particular cruelty that perhaps only someone with Mallory s history could fully recognize In the next few weeks she will deal with them all in her own way [The Chalk Woman](#) Brenda Little,1975-01-01 [Bad Girls and Transgressive Women in Popular](#)
