around them works Teachers librarians and parents seeking fun and accessible nonfiction Museums looking to give patrons a sneak peek at the inner workings of their operations Behind the Scenes at the Science Museum Sharon Macdonald,2020-05-21 What goes on behind closed doors at museums How are decisions about exhibitions made and who or what really makes them Why are certain objects and styles of display chosen whilst others are rejected and what factors influence how museum exhibitions are produced and experienced This book answers these searching questions by giving a privileged look behind the scenes at the Science Museum in London By tracking the history of a particular exhibition Macdonald takes the reader into the world of the museum curator and shows in vivid detail how exhibitions are created and how public culture is produced She reveals why exhibitions do not always reflect their makers original intentions and why visitors take home particular interpretations Beyond this local context however the book also provides broad and far reaching insights into how national and global political shifts influence the creation of public knowledge through exhibitions

Science Museum Brilliant Book of Discoveries and Inventions Science Museum Staff,2019-06 This brilliant book endorsed by the Science Museum is crammed full of amazing inventions discoveries facts and activities Discover how the industrial revolution changed the world travel the world with trains planes and automobiles then get set to jet off into space Return to Earth and take a look at the world of radio television film and the internet then discover the fascinating and gruesome story of medicine before looking to the future Fun fact filled text activities and appealing design make this book a great read to dip into again and again The Science Museum of Minnesota (Tenth and Wabasha Streets, Saint Paul, Minnesota) , *GE After School Enrichment Brings the Science Museum of Virginia to You* Science Museum of Virginia,2000* **The Science Museum, Union Station** Kansas City Museum of History and Science (Mo.),1996 Museums and the Public Understanding of Science John Durant,Committee on the Public Understanding of Science,1992 The essays in this volume are organised thematically The first essay sets the scene by reviewing the present position and future potential of science museums as educational and cultural resources The next section is devoted to the role of museum exhibitions and analyses how exhibitions deal with complex material The third section is concerned with museum programmes and reports on the strengths and weaknesses of different museum programmes ranging from gallery drama to the Boston Museum s innovative experiment with Science by mail **Science Museums in Transition** Carin Berkowitz,Bernard Lightman,2017-07-19 The nineteenth century witnessed a dramatic shift in the display and dissemination of natural knowledge across Britain and America from private collections of miscellaneous artifacts and objects to public exhibitions and state sponsored museums The science museum as we know it an institution of expert knowledge built to inform a lay public was still very much in formation during this dynamic period Science Museums in Transition provides a nuanced comparative study of the diverse places and spaces in which science was displayed at a time when science and spectacle were still deeply intertwined when leading naturalists curators and popular showmen were debating both how to display their knowledge and how and whether

they should profit from scientific work and when ideals of nationalism class politics and democracy were permeating the museum s walls Contributors examine a constellation of people spaces display practices experiences and politics that worked not only to define the museum but to shape public science and scientific knowledge Taken together the chapters in this volume span the Atlantic exploring private and public museums short and long term exhibitions and museums built for entertainment education and research and in turn raise a host of important questions about expertise and about who speaks for nature and for history

Science for the Nation P. Morris,2010-04-14 An engaging study of a great national institution Essays explore the changing roles of museums and the perceived public role of a museum of science and technology Illuminates the ways in which we think about the collecting and display of objects and the often difficult relations between the state business and industry and museum funding
