SCM Studyguide: Church Leadership Jon Coutts,2019-04-30 It is increasingly being acknowledged that current generation of church leaders are inundated with well

intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church. Reflecting theologically on the nature of leadership at the same time as considering the reality of its practicalities this Study Guide seeks to call it back to theological essentials locate it in the unique context of the Church and then re address modern pressures and needs from within a decidedly Christian framework. Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings, giftings and approaches that are suitable to Christ and particular to the Church.

Spiritual Discipleship John Oswald Sanders, While most Christians want to honor and glorify God few fully understand the absolute sacrifice that He asks. Sanders provides mature inspiration and instruction for spiritual growth. You will find probing insight into biblical requirements for true discipleship in the Lord's service. Includes study questions. **From Now On...** Ralph Shallis, 2006. It has been an inspiration and a challenge to know Ralph Shallis over the past several years. He is a man who knows God as you will soon detect as you read the pages of this penetrating book. I find everywhere that Christians are failing to grow up into fullness in Christ and this book in many ways meets the need of the hour. It teaches us how we can grow to become matured disciples of Jesus Christ. It is written by a man who has put these things into practice for several decades. The Lord has already wonderfully used this book in the French speaking world and I know He will use it now among those of us who speak English. My prayer is that many will not only read it but also distribute it widely in their ministry to others.
