Women Religious Leaders in Japan's Christian Century, 1549-1650 Haruko Nawata Ward, 2016-12-05 Meticulously researched and drawing on original source materials written in eight different languages this study fills a lacuna in the historiography of Christianity in Japan which up to now has paid little or no attention to the experience of women Focusing on the century between the introduction of Christianity in Japan by Portuguese Jesuit missionaries in 1549 and the Japanese government's commitment to the eradication of Christianity in the mid seventeenth century this book outlines how women provided crucial leadership in the spread nurture and maintenance of the faith through various apostolic ministries The author's research on the religious backgrounds of women from different schools of late medieval Japanese Shinto Buddhism sheds light on individual women's choices to embrace or reject the Reformed Catholicism of the Jesuits and explores the continuity and discontinuity of their religious expressions The book is divided into four sections devoted to an in depth study of different types of apostolates nuns women who took up monastic vocations witches the women leaders of the Shinto Buddhist tradition who resisted Jesuit teachings catechists women who engaged in ministries of persuasion and conversion and sisters women devoted to missions of mercy Analyzing primary sources including Jesuit histories letters and reports especially Lu's *Fr. Is. Historia de Japão* hagiography and family chronicles each section provides a broad understanding of how these women in the context of misogynistic society and theology utilized resources from their traditional religions to new Christian adaptations and specific religious social issues creating unique hybrids of Catholicism and Buddhism The inclusion of Portuguese Spanish Italian and Japanese texts many available for the first time in English and the dramatic conclusion that women were largely responsible for the trajectory of Christianity in early modern Japan makes this book an essential reading for scholars of women's history religious history history of Christianity and Asian history *Creative Tangle* Trish Reinhart, 2014-07-30 Create your own original Zentangle patterns Many an artistic soul has fallen in love with the beautiful meditative art of Zentangle an easy to learn way of creating pleasing images using repeating patterns For enthusiasts ready to take it to the next level *Creative Tangle* is the first book to show how to invent your own original patterns inspired by everyday items rugs pottery scrapbook paper fabrics in your clothes closet a vine in your garden virtually everywhere you look are shapes and patterns just waiting to be tangled Turn to the fresh ideas in this book for showcasing your one of a kind designs on a range of pretty practical items You will unleash your creativity and look at your world in a whole new wonderfully tangled way *What's Inside* A fun and simple 3 step process for designing your own tangles 24 fantastic off the tile projects from name signs wine glasses and decorative wrappings to pendants zendalas and tangled pet portraits Expert tips for embellishing preexisting patterns creating themes and adding color to your tangles Inspiration photos new patterns and templates **Notebooks of a Chile Verde Smuggler** Juan Felipe Herrera, 2015-11-01 Raucous adobe hearts and urban violet mascara Televised immigration games and ethnic sitcoms Chile con karma served on a bed of race In a startling
