The Shepherds Question:

The Shepherd's Journal William James Clarke,1911 **The Shepherd of Hermas** Jonathon Lookadoo,2021-03-25
Jonathon Lookadoo guides readers through the early Christian apocalypse known as the Shepherd of Hermas providing a clear overview of the numerous literary historical and theological insights that this text contains for those researching early Christianity Dividing his exploration into two sections Lookadoo first introduces the Shepherd by providing an overview of the text to those with limited familiarity while also focusing on critical issues such as authorship date and the Shepherd s complex manuscript tradition and reception history He then moves to examine the interpretation of particular passages in detail and by close exploration of theological and literary features he is able to contextualize the Shepherd alongside contemporary contexts This volume covers the important thematic issues in the Shepherd and also provides a fresh perspective that arises from a thoroughly textual focus in so doing Lookadoo enables readers to engage both with the Shepherd itself and the scholarship that surrounds the text

Mark 13 and the Return of the Shepherd Paul T. Sloan,2019-01-24 Paul T Sloan presents a detailed interpretation of Mark s Olivet Discourse in light of the Gospel s many allusions to the book of Zechariah and argues that previous studies have rightly demonstrated the influence of Zechariah 9 14 on the Passion Narratives Sloan shows that this influence is not merely confined to Mark s description of Jesus final week but also permeates much of his narrative informing the Gospel s presentation of Jesus royal identity his action in the temple the role of suffering in the bringing of God s kingdom and the arrangement and interpretation of the Olivet Discourse Sloan begins with an extensive review of scholarship on the presence of Zechariah in Mark before analyzing the reception of relevant texts from Zechariah in Second Temple literature He proceeds to a fresh examination of potential allusions to Zechariah throughout Mark focusing especially on Mark s use of Zechariah 13 7 and 14 5 In addition to influencing significant themes in Mark s Gospel Sloan argues that Zechariah provides a helpful framework by which to interpret Mark 13 offering a potential solution to a notorious crux interpretum namely why Jesus answers a question about the temple with reference to the coming of the son of man
