Being One: the vision and way of the Bhagavad Gita Jens Gnaur, 2018-01-12

Bhagavad Gita a pinnacle in the spiritual literature of the world was composed more than two thousand years ago by an unknown sage poet philosopher and master of Yoga The beautiful lyrics of the poem evolves around the perennial questions of human existence and presents us with answers that are profound and often transcends our habitual pattern of thinking This book Being One the vision and way of the Bhagavad Gita highlights the modern relevance of the great ancient poem But it also explores the poem s historic and philosophical background with reference to the tradition of Yoga and reflects on the deeper meaning and implications of each of its songs for people at all times It brings to light the Gita s grand vision of the oneness of humanity and the oneness within a oneness which may be discovered through meditation and a harmonious way of life A special feature of this book is its emphasis on the Gita s unique literary qualities The last part of the book examines the way we may live and practice the serene wisdom of the Bhagavad Gita in the midst of our contemporary turbulent world

Understanding Samkhya Philosophy: Exploring the Ancient Wisdom of Kapila KHRITISH SWARGIARY, 2023-10-01

This book Understanding Samkhya Philosophy Exploring the Ancient Wisdom of Kapila seeks to unravel the intricate web of ideas that constitute Samkhya thought It delves into the rich historical tapestry from which this philosophy emerged and provides a comprehensive exploration of its core principles Through these pages we invite you to embark on a journey of discovery to engage with the profound teachings of Sage Kapila and to contemplate the timeless questions that Samkhya philosophy addresses As the reader you are invited to explore the intricate dualism of Purusha and Prakriti to contemplate the enumeration of tattvas that make up the universe and to consider the path to liberation through discriminative knowledge Whether you are a seasoned scholar of Indian philosophy or a newcomer to this ancient tradition we hope this book will serve as a valuable resource and a source of inspiration Our aim in writing this book is not only to elucidate the philosophical intricacies of Samkhya but also to convey the enduring relevance of its ideas in our contemporary world As we navigate the complexities of our existence the insights offered by Samkhya can shed light on fundamental questions about the nature of consciousness the human experience and the pursuit of inner freedom

Neural Mechanisms Underlying Movement-Based Embodied Contemplative Practices Laura Schmalzl, Catherine E. Kerr, 2016-07-05 Relative to the extensive neuroscientific work on seated meditation practices far less studies have investigated the neural mechanisms underlying movement based contemplative practices such as yoga or tai chi Movement based practices have however been found to be effective for relieving the symptoms of several clinical conditions and to elicit measurable changes in physiological neural and behavioral parameters in healthy individuals An important challenge for neuroscience is therefore to advance our understanding of the neurophysiological and neurocognitive mechanisms underlying these observed effects and this Research Topic aims to make a contribution in this regard It showcases the current state of the art of investigations on movement based practices including yoga tai chi the Feldenkrais Method as well as dance Featured contributions include empirical research proposals of theoretical frameworks as well as novel perspectives on a variety of issues relevant to the field This Research Topic is the first of its kind to specifically attempt

a neurophysiological and neurocognitive characterization that spans multiple mindful movement approaches and we trust it will be of interest to basic scientists clinical researchers and contemplative practitioners alike Unstuck Dr Emily Musgrove,2025-05-20 Being stuck can look and feel different to different people trapped powerless hopeless frozen frustrated numb disconnected anxious overwhelmed Getting stuck is part of being human But staying stuck for too long robs us of our vitality It costs us healthy relationships meaningful pursuits and most importantly the life we want to live But even in our lowest moments one yearning shines through The desire for a better way The desire to become unstuck With her signature clarity and compassion Dr Emily offers this practical guide to finding your way forward by focusing on key areas Living by your values defining what matters to you and what it means to flourish Overcoming stress understanding its impact on the body and the tools you need to work effectively with it Befriending the Inner Critic learning a better way of thinking Working with painful emotions discovering acceptance and self compassion Taking Action finding the power of choice and committing to new and helpful habits and behaviours Change can seem impossibly hard but staying stuck is harder UNSTUCK gives you the tools to cultivate a life without limits in times of pain in times of change in times of joy

Disabilities: Responses : practice, legal, and political frameworks Catherine A. Marshall,2009 In these unprecedented volumes authors from around the world spotlight the latest knowledge on disability including the social legal and political issues that come to bear on people with disability These authors are researchers practitioners people with disability and family members Through their experiences they share with us the nature of disability the challenges people with disabilities face approaches to disability around the world and promising efforts for rehabilitation that are on the horizon We also learn in these volumes about social actions that have advanced human rights for people with disabilities in countries around the world Yet we learn that in these same countries discriminatory actions against people with disabilities continue to occur The impact of different cultural beliefs about disability are explored and these beliefs are juxtaposed against legislative responses In all three volumes people with disabilities share their personal narratives about events they have faced in society They provide rich examples of how culture social interactions and legislation can impact on people
