Structuring The Journey To Work

Harold H. Hellwig

Structuring The Journey To Work:

Structuring the Journey to Work Howard S. Lapin, 1964 This book concerns the largest and costliest element of vehicular traffic in United States cities the travel to and from places of employment the journey to work By reason of its sheer volume and also because of its concentration within a few hours of the day this rush hour travel presents to planners and engineers critical problems relating to the location and capacity needs of streets and highways and transit and parking facilities The patterns of work trips also comprise important determinants of maximum reasonable distances between residential areas and the clusters of commercial and industrial enterprise This monograph presents analytical approaches to the study of the journey to work primarily in development of the patterns of its time and scale characteristics Such patterns are considered in relation to population size of cities and in terms of their apparent changes and factors for change over the years The approaches discussed are those of interest to technicians working in the prevalent low budget high time pressure situation Examples are analyzed from data of several United States cities particularly Philadelphia and broad general conclusions are drawn from the case studies Supplemented by numerous diagrams and numerical tables *Structuring the Journey to Work* will be of interest to traffic engineers city and regional planners urban geographers and industrial and residential site selectors It will have some interest as well for professionals in land economics and labor market analysis

Mark Twain's Travel Literature Harold H. Hellwig, 2015-01-28 This critical study analyzes major concepts in the travel literature of Mark Twain and notes how his oeuvre including his classic works of fiction revolves around travel as a central issue The book focuses especially on his representations of time place and identity in the travel works *Roughing It* *A Tramp Abroad* *The Innocents Abroad* *Life on The Mississippi* and *Following the Equator* All receive an in depth analysis noting Twain's strong sense of nostalgia for the disappearing American frontier his growing concern over the assimilation of Native American cultures and his continual search for a sense of personal and national identity One appendix provides a complete list of the travel literature contained in Twain's personal library

The Structure of Soviet Wages Abram Bergson, 1944 Economists and others concerned with the theory of wages or with the functioning of Soviet economy will find this investigation of the inequality of wages in the Soviet Union an illuminating study Based on data used by Soviet administrators in making their decisions it establishes for the first time in a scientifically acceptable manner the principles according to which differences in earnings in the U S S R are determined It is also the first study to present comparable data on the inequality prevailing under
