The Icemaster of New-York Joseph D'Agnese, 2024-07-09 An immortal miser A child in danger An icy heart melted by the power of love Jack Frost never asked to be immortal The gods thrust their magic upon him when he was still too young to comprehend the bargain Century after century age after age he conjures snow and ice ushering in the death of all things at the end of each year Addicted to violence obsessed with wealth he flits through the ages changing names as often as cities When a stupid misstep in the old country forces him to flee the great halls of Europe Jack finds himself on the fledgling Dutch island of Manhattan perched on the edge of a pristine continent that is ripe for the taking In this uncharted paradise a clever magician could well have it all In the year 1643 a defenseless orphan enters his life If the stars align she could well become the world's most beloved sorceress destined to make glad the heart of childhood But only if she lives For reasons Jack Frost cannot fathom assassins and monsters want the infant Kris Kringle dead And now the world's oldest misanthrope finds himself fighting for something he has never known love A prequel to the story of Santa Claus as you've never imagined her Not intended for children The author recommends readers enjoy this prequel AFTER they have read *Sorceress Kringle*

The Ice Master James Houston, 1997 In the 1870s whaling was North America's biggest business Successful voyages south to the warm waters of Melville's great white whale or north to the Arctic brought back ships laden with the whale oil that lit the lamps of the civilized world and the whalebone that stiffened its corsets Many of the fortune seekers in this harsh trade lost their lives while others became millionaires In James Houston's exciting new adventure novel it is the spring of 1875 Two ships set sail from Connecticut traveling north together to the Baffin Island Arctic whaling grounds One ship is captained by a hard as nails Yankee veteran a man who knows how to deal with mutineers

The other falls to the command of a young Newfoundlander an expert at sailing through ice fields in a wooden hull an Ice Master but inexperienced in the specialized bloody trade of Arctic whaling Fierce conflicts arise between the two men as they struggle for control during a year long stay with whale hunting Inuit at their base on the shores of Baffin Island where the seamen and the local people find exciting ways of whiling away the long winter nights To the drama of the whale hunts is added the dangers of dog team trips inland involving terrifying encounters with polar bears At the whaling station further drama is added by a rivalry with a nearby group of Scottish whalers and an encounter with their dreaded missionary and a feud with a local shaman a woman possessed of uncanny powers Then both ships face the long creaking perilously heavy laden voyage back to New England with a fortune on board

100 Opinions You Can Trust on the Ice Master Sebastian Kimber,2013-02 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of *The Ice Master The Doomed 1913 Voyage of the Karluk and the Miraculous Rescue of her Survivors* Don t say we didn t warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don t buy this book if 1 You don t have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You ve heard it all
