The Intercessor, God's Secretary Gwendolyn Ann Cook,2010-12-08 There has to be intimacy before intercession Jesus calls us to develop an intimate relationship with Him and the Father by becoming frequent

visitors before the throne We must then ask ourselves the question Are you known at the throne The lesson in this book is very clear we are not magicians before the throne magically calling things into existence or naming it and claiming it by using the mighty name of Jesus The spiritual war we should wage starts with believing God this produces a spiritual connection when you engage the enemy through intercession I call this coming into agreement with heaven and at this point Jesus Himself reaffirms with His Word

The Intercessor's Guide Raymond Chapman, 2007 Intercessory prayer is a key part of the liturgy of the Eucharist Intercessory prayers need to reflect a response to the preached Word and topical concern for the world and need to be prepared afresh for each service Intercessory prayer is also known as the prayer of the people and is often said by a member of the congregation not a priest For anyone with this ministry in their local church here is a complete companion handbook that includes a simple theology of intercessory prayer an explanation of its purpose within the liturgy and its relation to the readings of the day the difference between public and personal prayer a guide to writing intercessory prayers that connect with the whole service technical advice use of language addressing God vocal expression common errors to avoid excessive length or detail breaches of confidence prayerful preparation using other resources developing a personal style and ready to use intercessory prayers

The Intercessor Mark Ledbetter, 2020-02-27 Israel's intercessors changed Israel's destiny Plagues disasters and calamity were averted and Israel's enemies defeated because someone had an encounter with God meeting with God boldly and interceding on Israel's behalf Whether a desperate nation king or widow those needing intervention or all would be lost enlisted the intercessor Time and again Israel's intercessors intervened and God's judgment avoided There are specific callings to fulfill specific roles in the Body of Christ There are Apostles Prophets Evangelists Pastors and Teachers there are Bishops Elders and Deacons Yet there is one role one essential function necessary and every believer in the Body of Christ is called to Pray Yet it is the one thing the Church fails to do and the consequences are dire The emphasis on intercessory prayer is not designed to elevate this approach to God above other forms of prayer There is a place and purpose for congregational prayer in times of worship there is a place and need for prayer designed to engage in spiritual battle Intercessory prayer is different in call and purpose Hopefully on the pages that follow you will understand the importance of Intercessory Prayer and learn to put in practice the concepts of Intercessory Prayer and the join those who have preceded us and who will join us in this most holy service before God Intercessory Prayer

The Intercessor Theresa Jean Nichols,2015-06-24 I was 47 and wondered why my husband died the money fled too and life changed all around me in an instant I stumbled out of the hospital that day for I had been in the room with him for a month day and night until his last breath he took When I stepped outside the sun hurt my eyes for I had not seen it for weeks at a time Now what The prophet saw it 13 years later she described the house and the things that were in it She saw me in a vision praying and praying on the floor of the little house with the books as I sought to find out why Jesus had shut up the heavens She saw it the prophet saw it indeed there was a glass ceiling hanging over me As the prophets prayed she saw the metal come up from the floor and shatter the glass ceiling yet there was something more There was a piece a jagged piece still stuck in the corner where the demons remained The prophets prayed again and the shift was felt it was a matter of time now the last piece will fall This is my story a 13 year win step by step until the Chief Cornerstone came and took out the last piece This book will give you the insights I learned along the way It is a true story it does have a happy ending for victory comes This book has the same contents as my Governing Through Intercession Book [The Intercessor and other stories](#)

May Sinclair,2022-08-16 In The Intercessor and Other Stories May Sinclair masterfully explores the complexities of human psyche and spiritual conflict through a collection of thought provoking narratives Writing in the early 20th century Sinclair employs a modernist style characterized by stream of consciousness and psychological depth drawing from her interest in mysticism and the emerging theories of the subconscious Each story reveals an intricate interplay between the seen and the unseen navigating themes of identity religious struggle and moral ambiguity Sinclair s precise yet evocative language invites readers into the inner lives of her characters reflecting the societal transitions of her time and the existential queries that accompany them Sinclair a prominent figure in the feminist literary movement was deeply influenced by her own explorations of spirituality and mental health Her background in philosophy and psychology alongside her engagement with

key modernist contemporaries informed her narrative choices and themes Sinclair's own struggles with depression and her quest for purpose imbue the stories with an authenticity and emotional resonance that connect the characters' journeys to her own, highlighting her role as both a literary innovator and a chronicler of the human experience. The Intercessor's Mantel Michael H Yeager, 2025-11-13 When God seeks to move upon the earth, He looks for one thing: a willing intercessor. In *The Intercessor's Mantle*, Dr. Michael H. Yeager unveils the divine calling and supernatural authority entrusted to those who dare to stand in the gap between heaven and earth. With passion, scriptural depth, and over five decades of ministry experience, Dr. Yeager reveals that prayer is not merely a duty; it is a divine partnership where the believer joins Jesus Christ, the Great Intercessor, in shaping nations, redeeming souls, and advancing the Kingdom of God. Drawing from his research and personal experiences, Dr. Yeager intertwines gripping real-life accounts of miraculous answers to prayer with timeless biblical examples of those who changed history through intercession: Abraham pleading for Sodom, Moses standing for Israel, Daniel shifting empires, and Elijah calling down fire from heaven. This book will teach you how to enter the secret place where God's power is released through prayer. Carry the burdens of nations, cities, and individuals until heaven responds. Pray with divine authority, revelation, and compassion like Jesus did. Break demonic strongholds and open the heavens over your generation. Develop the perseverance, faith, and love that mark a true intercessor. Dr. Yeager's message is clear and urgent: God still moves through those who pray. One voice wholly surrendered to Jesus can alter the course of history. If you've ever felt the call to pray more deeply, to weep for souls, to travail for revival, or to intercede for your nation, *The Intercessor's Mantle* will ignite the fire of God within you and empower you to take your place in the ranks of those who change the world on their knees. And I sought for a man among them that should make up the hedge and stand in the gap before me for the land. Ezekiel 22:30 KJV. Step into your divine assignment. Take up *The Intercessor's Mantle* and become the voice heaven has been waiting for.
