

The Vintage Guide to

CLASSICAL MUSIC

*An indispensable guide
for understanding and
enjoying classical music*

INCLUDING:

- *a comprehensive chronological history of music*
- *essays on nearly one hundred composers—their lives, their works, their times*
- *a complete glossary of musical terms*
- *how to build a rich classical music library—piece by piece, composer by composer*
- *an exploration of important themes, such as tonality, atonality, and the history of the early-music movement*

JAN SWAFFORD

Vintage Guide To Classical Music

Alan Rich

Vintage Guide To Classical Music:

The Vintage Guide to Classical Music Jan Swafford, 1992-12-15 The most readable and comprehensive guide to enjoying over five hundred years of classical music from Gregorian chants Johann Sebastian Bach and Wolfgang Amadeus Mozart to Johannes Brahms Igor Stravinsky John Cage and beyond The Vintage Guide to Classical Music is a lively and opinionated musical history and an insider's key to the personalities epochs and genres of the Western classical tradition Among its features chronologically arranged essays on nearly 100 composers from Guillaume de Machaut ca 1300 1377 to Aaron Copland 1900 1990 that combine biography with detailed analyses of the major works while assessing their role in the social cultural and political climate of their times informative sidebars that clarify broader topics such as melody polyphony atonality and the impact of the early music movement a glossary of musical terms from a cappella to woodwinds a step by step guide to building a great classical music library Written with wit and a clarity that both musical experts and beginners can appreciate The Vintage Guide to Classical Music is an invaluable source book for music lovers everywhere **Classical Music Magazine**, 1995 *Teaching the Bible through Popular Culture and the Arts* Mark Roncace, Patrick Gray, 2012-11-01 This resource enables biblical studies instructors to facilitate engaging classroom experiences by drawing on the arts and popular culture It offers brief overviews of hundreds of easily accessible examples of art film literature music and other media and outlines strategies for incorporating them effectively and concisely in the classroom Although designed primarily for college and seminary courses on the Bible the ideas can easily be adapted for classes such as Theology and Literature or Religion and Art as well as for nonacademic settings This compilation is an invaluable resource for anyone who teaches the Bible Johannes Brahms Jan Swafford, 2012-01-11 An illuminating new biography of one of the most beloved of all composers published on the hundredth anniversary of his death brilliantly written by a finalist for the 1996 National Book Critics Circle Award Johannes Brahms has consistently eluded his biographers Throughout his life he attempted to erase traces of himself wanting his music to be his sole legacy Now in this masterful book Jan Swafford critically acclaimed as both biographer and composer takes a fresh look at Brahms giving us for the first time a fully realized portrait of the man who created the magnificent music Brahms was a man with many friends and no intimates who experienced triumphs few artists achieve in their lifetime Yet he lived with a relentless loneliness and a growing fatalism about the future of music and the world The Brahms that emerges from these pages is not the bearded eminence of previous biographies but rather a fascinating assemblage of contradictions Brought up in poverty he was forced to play the piano in the brothels of Hamburg where he met with both mental and physical abuse At the same time he was the golden boy of his teachers who found themselves in awe of a stupendous talent a miraculous young composer and pianist poised between the emotionalism of the Romantics and the rigors of the composers he worshipped Bach Mozart Beethoven In 1853 Robert Schumann proclaimed the twenty year old Brahms the savior of German music Brahms spent the rest of his days trying to live up to that prophecy ever

fearful of proving unworthy of his musical inheritance We find here more of Brahms's words his daily life and joys and sorrows than in any other biography With novelistic grace Swafford shows us a warm blooded but guarded genius who hid behind jokes and prickliness rudeness and intractability with his friends as well as his enemies but who was also a witty drinking companion and a consummate careerist skillfully courting the powerful This is a book rich in secondary characters as well including Robert Schumann declining into madness as he hailed the advent of a new genius Clara Schumann the towering pianist tormented personality and great love of Brahms's life Josef Joachim the brilliant self lacerating violinist the extraordinary musical amateur Elisabet von Herzogenberg on whose exacting criticism Brahms relied Brahms's rival and shadow the malevolent genius Richard Wagner and Eduard Hanslick enemy of Wagner and apostle of Brahms at once the most powerful and most wrongheaded music critic of his time Among the characters in the book are two great cities the stolid North German harbor town of Hamburg where Johannes grew up which later spurned him and glittering fickle music mad Vienna where Brahms the self proclaimed vagabond finally settled to find his sweetest triumphs and his most bitter failures Unique to this book is the way in which musical scholarship and biography are combined in a style refreshingly free of pretentiousness Jan Swafford takes us deep into the music from the grandeur of the First Symphony and the intricacies of the chamber work to the sorrow of the German Requiem allowing us to hear these familiar works in new and often surprising ways This is a clear eyed study of a remarkable man and a vivid portrait of an era in transition Ultimately Johannes Brahms is the story of a great backward looking artist who inspired musical revolutionaries of the following generations yet who was no less a prophet of the darkness and violence of our century A biographical masterpiece at once wholly original and definitive

Observations on Music, Culture, and Politics Daniel Asia, 2021-03-08 This book brings together the collected writings of Daniel Asia from the last 10 years The articles reviews and essays gathered here originally appeared in noted publications such as The New Criterion and Academic Questions and as blog entries with the Huffington Post Topics discussed include classical music universities Judaism politics and American culture All essays are presented in clear and elegant non academic prose and are often imbued with a wry and delicate sense of humor This book is a fine introduction to the current state of high culture in America with an emphasis on classical music and its recent and current best composers As such it is perfect for the curious lay person seeking knowledge in these areas and for academics and their students working in the areas of music composition music history introduction to music sociology politics education American studies and Jewish studies

Twentieth-Century Music in the West Tom Perchard, Stephen Graham, Tim Rutherford-Johnson, Holly Rogers, 2022-10-06 Introduction Steve Reich pitched up in San Francisco in September 1961 He was a young musician one who had been taken by the early century work of the Hungarian composer and folklorist Bela Bartok and he had journeyed west from New York in the hope of studying with Leon Kirchner a composer in the rough lyric Bartok tradition who'd been teaching at Mills College But Kirchner had just left for Harvard so Reich ended up working at Mills under Luciano Berio Over the course of the

previous decade Berio had become identified as a figurehead of the European post war avant garde his ultramodern serialist work was quite a different proposition to Kirchner's own

Musicians & Composers of the 20th Century Alfred William Cramer, 2009 Benny Goodman Dizzy Gillespie Jim Morrison Kurt Cobain these are the people who helped shape the history of music Their stories and others are told in **Musicians and Composers of the 20th Century** This five volume set offers biographical and critical essays on over 600 musicians in just about every genre imaginable from Accordion Players to Musical Theater Composers to World Music and everything in between

Language of the Spirit Jan Swafford, 2017-04-11 A preeminent composer music scholar and biographer presents an engaging and accessible introduction to classical music For many of us classical music is something serious something we study in school something played by cultivated musicians at fancy gatherings In **Language of the Spirit** renowned music scholar Jan Swafford argues that we have it all wrong classical music has something for everyone and is accessible to all Ranging from Gregorian chant to Handel's Messiah from Vivaldi's The Four Seasons to the postmodern work of Philip Glass Swafford is an affable and expert guide to the genre He traces the history of Western music introduces readers to the most important composers and compositions and explains the underlying structure and logic of their music **Language of the Spirit** is essential reading for anyone who has ever wished to know more about this sublime art

Vintage Guide To Classical Music Introduction

In the digital age, access to information has become easier than ever before. The ability to download Vintage Guide To Classical Music has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Vintage Guide To Classical Music has opened up a world of possibilities. Downloading Vintage Guide To Classical Music provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Vintage Guide To Classical Music has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Vintage Guide To Classical Music. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Vintage Guide To Classical Music. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Vintage Guide To Classical Music, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Vintage Guide To Classical Music has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Vintage Guide To Classical Music Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Vintage Guide To Classical Music is one of the best book in our library for free trial. We provide copy of Vintage Guide To Classical Music in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Vintage Guide To Classical Music. Where to download Vintage Guide To Classical Music online for free? Are you looking for Vintage Guide To Classical Music PDF? This is definitely going to save you time and cash in something you should think about.
