Wanted Alive:

Wanted Alive Erin Mouré, 1983 Mouré's second collection is written with passion and intelligence and language that is always on target. The poems range from Vancouver to Greece from Prairie weddings to Rocky Mountain train stops from the Toronto subway system to Dostoyevsky's Russia. The cast includes angels, close friends, ancestors, the heart, the body and the fettered soul, burning for transfiguration. *Sex in Antiquity* Mark Masterson, Nancy Sorkin Rabinowitz, James Robson, 2018-02-05 Looking at sex and sexuality from a variety of historical, sociological and theoretical perspectives as represented in a variety of media. *Sex in Antiquity* represents a vibrant picture of the discipline of ancient gender and sexuality studies, showcasing the work of leading international scholars as well as that of emerging talents and new voices. Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints. This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines. This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections. *Sex in Antiquity* is a major contribution to the field of ancient gender and sexuality studies.

Unleashed Joan M. Nesbitt, 2013-11-14 Her book of poetry *Unleashed* reveals her work and travels as a social justice educator as she mines the global landscape for what it means to be human. This epoch journey has included musings and reflections both real and imaginary that are steeped in her work with her undergraduate students at Kwantlen Polytechnic University while walking the Camino de Santiago trail in Spain, traversing the wilds of Kenya, Ethiopia and Tanzania, praying to unknown gods in India, working with Habitat for Humanity in Fiji while dodging falling coconuts, cyclones and a tsunami warning and simply trying to live her life at home on both sides of the Salish Sea. At the end of this journey there are no words to adequately capture all that has befallen her. In addition to her poetic jottings and ruminations she will be launching an abstract art exhibition in anticipation that it will give her audiences the smallest of glimpses into examining the human condition through the tension and interplay of words, wet paint and the collision of the two. Oracle of Tao Samantha Rinne Hooker, 2020-01-19 In Earth's distant future, most of its religions known today decline or change. As a result of this spiritual upheaval, the barrier between the spiritual world and the physical one falters and ghouls and demons are loosed upon the earth. Ultimately, most of these are resealed by the new religions, but one such demon named Belial requires nothing short of sealing by angels to put back to rest. Thousands of years later, a beggar named Ambrosia Brahmin picks herself off the street only to be sent on a fetch quest by God, joined by swordsman, a shaman, a thief, a druid, an exorcist, an angel and a demon. Meanwhile, the demon from eons before sealed in a jar is slowly being unsealed by a duped wizard given false promises of rewards that await him. *Soviet Defectors* Vladislav Krasnov, 2018-04-01 Uncover the untold stories of Soviet defectors and the KGB's relentless pursuit during the Cold War. Vladislav Krasnov's *Soviet Defectors* delves into the hidden world of

individuals who risked everything to escape the USSR using newly available KGB records to expose their motivations and fates This groundbreaking work sheds light on the human rights implications of defection and the West's often ambivalent response Explore the lives of those who defied the Soviet regime from disillusioned soldiers to prominent artists and gain a deeper understanding of the Soviet system itself Soviet Defectors is a must read for anyone seeking a comprehensive and insightful look at this fascinating and often tragic chapter in history Discover the truth behind the KGB's wanted list and the price of freedom *Sport in England* E.
