revealed Vietnam diary July 7 1967 July 26 1968 His entries from this period portray a patriotic young soldier with a strong moral and religious conscience Kovic then recalls his political awakening after his return from Vietnam confined to a wheelchair following his horrific injury He also chronicles the tremendous guilt he feels over his accidental killing of a fellow Marine while on patrol This killing psychologically torments him as much as his severe disability After years of social political and sexual turmoil and on the brink of suicide Kovic experiences a powerful epiphany that gives him a reason and purpose to live a renewed faith and strength to carry on Although his trauma is severe his third memoir is ultimately the inspirational story of a survivor finding a way to rise above his depression and despair forgiving his enemies and himself and growing deeply committed to a new life
