Finding God's Will Derek Prince, 2021-06-15 Do you have a clear purpose for your life Or are you drifting through life being carried here and there by the winds of habit and fashion tossed by waves of circumstances over which you have no control A person may have talent intelligence and special abilities but still live a life filled with frustration accomplishing very little of permanent value because they don't understand their purpose and they lack a clear objective in life Many people have the feeling that there should be more to life than they are experiencing It doesn't have to be this way One of the greatest benefits and blessings of the Christian life is that it provides us with a real

purpose for living This purpose is rooted in our faith in Christ As we come to understand God s will for our lives we look to Jesus as both our pattern and our inspiration His supreme motivation in life was to do the Father s will Both personal and practical this book helps you to finally answer the question What is God s will for me Derek Prince presents clear steps to discovering God s plans for your life revealing how you can Gain a clear purpose and objective for living Receive supernatural restoration Live free from deception Become a channel of life to those around you Find deep peace and personal satisfaction Will you decide today to do God s will Unless you meet this challenge you could miss all that God has for you Discover a new sense of purpose today and experience the fullness of God s will for your life My food is to do the will of Him who sent Me and to finish His work John 4 34

Finding God's Will Gregg Matte,2010-11-25 Pastor Gregg Matte writes God s will is not the needle in the haystack discovered only by Navy SEALs for Jesus it is actually the hay in the haystack to be found by every believer This is great news for any Christian who has ever wondered about finding and living in the will of God Through an extensive intimate examination of God s encounter with Moses in the burning bush Finding God s Will invites readers to shift their understanding of God s will from an event to be experienced to a process to live God s will is what happens when we seek him Readers will discover how to be on the lookout for their own burning bushes how to focus on pleasing Thee not they and how to expect God s power as they seek his will They may also be surprised to find that as they seek a deeper relationship with God his direction and guidance become clear A life centered in God s will is a promise offered to every believer and every Christian can learn how to receive that gift

*Perfect Will Of God* G Christian Weiss,2013-01-11 What is God s plan for my life is perhaps the most difficult question a Christian can raise The Perfect Will of God provides constructive guidelines for those needing help in this area In fifteen provocative chapters the reader discovers God has a definite plan for every believer It is possible to miss that plan God earnestly desires to reveal His will There are prerequisites to knowing God s will God provides three sources of guidance Mr Weiss has written earnestly and clearly There is no guesswork here nor are there any strange and fanciful utterances He has developed his theme constructively and intelligently His points are scripturally treated and effectively emphasized Much is said in few words yet with sufficient elucidation to drive home the teaching expounded The chapters are helpfully divided and the references and quotations from the Scriptures are numerous and fitting W S Hottel in the Foreword

**Man'S Will Versus God'S Will** Advocate James Clark,2013-10-01 Mans demise has always been situated predominantly in the fact that he does not want to abide in Gods Will Man wants to do and achieve everything on his own steam and energy This book shows mans weaknesses and reveals to man the way back into Gods Will including the results of such a dedicated life In this book it is also then downplayed against the life beyond Gods Will with the consequences of such a life

**Googling God's Will** Winn Griffin,2011 Tired of googling God s Will in all the wrong places It s a habit that consumes more valuable time and often produces tragedy and frustration Can you really find something in the case of the will of God which is not lost The whole concept of searching suggests that

something is lost but is it really What should you do Stop googling God s Will and spend that precious time living into it It s doable and the aim of this book is to dispel some of the theological sacred cows about the will of God and help you learn a new way of thinking and reflecting that can free you up to live into his will Asking questions is often at the root of learning but asking the wrong questions takes us on a journey along a path to nowhere Have you ever asked questions like Does God have a perfect or permissive will for my life Can I put out a fleece to discover his will How does the Spirit interact with me in living into the will of God The bottom line well you will have to read googling God s Will to see what DrWinn offers as a possible solution God's Perfect Will G. Watchman Nee,1973-08-22 This book is a collection of five messages on prayer given during the approximate period of 1940-1941 p 6 God's Will for the World Henry Blauvelt Wilson,1923 The gospel pulpit. Republ Joseph Charles Philpot,1899

Can I Know God's Will? R. C. Sproul,2009-08-01 Outlines timeless principles for discovering and applying the will of God in day to day decisions from publisher description The Will of God Leslie Dixon Weatherhead,1999-02 The phrase the will of God is used loosely says Leslie Weatherhead and the consequence of that looseness to our peace of mind is serious Weatherhead s recognition of this problem led him to write The Will of God a classic that has helped more than a million grieving persons better understand the meaning of the phrase It can help you as well It was during the tumultuous era of World War II that Leslie Weatherhead preached five sermons on understanding the will of God for the congregation at City Temple in London These sermons became the classic book The Will of God which has helped hundreds of thousands of Christians explore how God s will is related to God s character and ultimate intentions for us A six week workbook study is also available that uses three case studies to illustrate the questions that arise in understanding the book 0687008409
