Understanding Consumers:

Understanding Consumers of Food Products Lynn Frewer, Hans Van Trijp, 2006-12-22 In order for food businesses scientists and policy makers to develop successful products services and policies it is essential that they understand food consumers and how they decide which products to buy Food consumer behaviour is the result of various factors including the motivations of different consumers the attributes of specific foods and the environment in which food choices occur Recognising diversity between individual consumers different stages of life and different cultural contexts is increasingly important as markets become increasingly diverse and international The book begins with a comprehensive introduction and analysis of the key drivers of consumer food choices such as the environment and sensory product features Part two examines the role of consumers attitudes towards quality and marketing and their views on food preparation and technology Part three covers cultural and individual differences in food choice as well as addressing potentially influential factors such as age and gender Important topics such as public health and methods to change consumers preferences for unhealthy foods are discussed in part four The final section concludes with advice on developing coherent safety policies and the consumers responsibility for food production and consumption Understanding consumers of food products is a standard reference for all those in the food industry concerned with product development and regulation Develop an understanding of buyer behaviour to assist developing successful products Recognise the diversity between consumers and learn how to cater for their needs Covers cultural and individual differences in food choice

Understanding the Consumer Isabelle Szmigin, 2003-04-03 Understanding the Consumer brings together marketing theory and practice in a truly consumer centric approach It challenges the lip service usually paid to this concept and demonstrates that a fundamental understanding of the consumer is critical to the future of effective marketing Drawing on cutting edge developments in the literature it reconceptualizes how consumers respond and act in the marketplace with particular attention to relationships with suppliers products and brands their innovative creative and resistant behaviour the complexity and unpredictability of their consumption behaviour their increasing need to get closer to production The book challenges existing functionally driven marketing thinking and shows how a more holistic approach to the marketplace will drive better theory and practice It combines a jargon free approach to the subject with an illustration of the relevant theory using practical topical examples from the marketplace as well as drawing on other business related disciplines including sociology and economics to support its arguments

Understanding Consumer Behaviour J. Paul Peter, 1996 Understanding Consumer Behaviour offers a unique focused integrative strategic marketing approach to the topic specifically the way in which consumer behaviour is brought into the discussion of marketing strategy Abundant use of current student friendly examples that effectively tie in and illustrate the theories presented Consumer Behavior Stefan Hoffmann, Payam Akbar, 2023-01-15 Detailed textbook with a focus on consumer behavior research This textbook addresses the central question of whether and in what way advertising has a

lasting influence on the purchase decision process For this purpose it takes a look at the focus of consumer behavior and market research In the course of this the work conveys the basics of consumer behaviour in a comprehensible and clear language Why is the shopping cart fuller than planned Why does everyone want the latest smartphone so badly The authors Stefan Hoffmann and Payam Akbar address the following topics in their book Consumer Behaviour They begin with the understanding of the term and briefly outline the theoretical as well as methodological approach to consumer behaviour They then discuss influences on consumer behaviour which take place first and foremost within us Motivation emotion and cognition as well as attitude and decision They then show that behaviour differs systematically between different consumer groups For this purpose they consider influences from the social physical and media environment At the end of the consumer behavior book they illustrate how buying behavior is embedded in general societal developments and thus constantly changes over time This second edition of the book has been revised and updated by the authors Clear textbook for exam preparation with many practical aids The Consumer Behavior textbook is intended for students in the following disciplines Business Administration Psychology Communications Related disciplines It follows a consistent didactic concept as a reader you observe the fictional characters Lea and Ben in numerous consumption situations In this way you get to know essential theories and models in a lively way and close to everyday life The following elements also help you to quickly grasp and effectively learn the contents of the textbook Consumer Behaviour Case studies Descriptions of relevant studies QR codes to video content e g videos and websites This makes this book ideal for reviewing lectures and preparing for exams At the end of each chapter you will find questions for self monitoring and recommended reading
