

# MINORITY GROUPS

A minority group is a distinct group of people in society who lack the collective numbers to sufficiently be protected from discrimination from society's dominant groups.

## OVERVIEW

Minority groups refer to social categories consisting of individuals who possess distinct characteristics or attributes that differentiate them from the dominant or majority group within a particular society. These characteristics can include race, ethnicity, religion, language, gender, sexual orientation, or socioeconomic status.

## EXAMPLES

- **Linguistic Minorities:** An example is the Francophone community in Canada.
- **Gender Diverse People:** Trans people often face discrimination based on their lack of conformity to binary gender identities.
- **Religious minorities:** Historically, people who don't conform to dominant religions have faced discrimination.
