Understanding Organizations Through Language

JAMES E. RUSSELL

Understanding Organizations Through Language:

Understanding Organizations Through Language Susanne Tietze, Laurie Cohen, Gill Musson, 2003-09-09 The book is extremely clear in its explanation of how language works The authors treat their readers as curious intelligent and concerned to find new and powerful tools to come at the workings of organizations from a lateral and newly illuminating perspective Virginia Valentine Semiotic Solutions London Offering a viable alternative to functional approaches to communication based around the metaphor of webs of meaning and using semiology as its theoretical bedrock the authors provide examples and argue how and why this approach is useful in understanding communicative processes This approach is applied to areas of interest including metaphor story telling discourse gender leadership and electronic communication **Studies in Applied**

Linguistics and Language Learning Ahmar Mahboob, Caroline Lipovsky, 2009 Studies in Applied Linguistics and Language Learning brings together new and original studies in the area of critical applied linguistics language policy and planning and language learning and teaching The book divided into three sections first offers critical views on various aspects of language in society ranging from the construction of national identity language and justice racial and identity issues in the ELT industry to language in business discourse It then reports on language policy in the school curriculum language learning in tertiary education and Aboriginal languages policy In the third section it addresses issues in language learning and teaching such as the role of parents in literacy learning multiple script literacy and language learning and maintenance strategies
