Where To America:

Brief History of German Immigration into America - from Where, to Where, Why They Came and What They Contributed. Wolfgang H Vogel, 2020-10-21 A large number of American citizens trace their ancestry back to German immigrants who entered this country over the last centuries This book is written for these German Americans but also for others interested in history to find an answer why these early Germans left their Home country and ventured across the ocean The book describes the political and economic conditions in Germany which determined to a significant extent why Germans left their home country The book illustrates the arrival and early life of the immigrants in their new homeland which was often filled with many hardships or even death The book describes many of the major contributions these immigrants made to American life in general and its progress over time The author being of German origin presents all these different aspect in an interesting and informative way in BRIEF HISTORY OF GERMAN IMMIGRATION INTO AMERICA from where to where why they came and what they contributed

Czech and Slovak Immigration to America: When, Where, Why and How Stephen Szabados, 2020-08-04 If you are researching your Czech or Slovak family history this book is a must read The book should help you answer the questions why did our German ancestors immigrate when did they leave how did they get here where did they settle It includes descriptions of many aspects of their social history that effected immigration to America and the material should give you vital insights into your ancestors immigration Remember that each immigrant has a unique story and it is our challenge to dig out as many details of their immigration saga as we can when doing our family history research I am sure this book will help point the way to many exciting stories about your family history The stories will help your ancestors come alive Our immigrant ancestors are the foundation of our roots in the United States Our lives would be much different if they did not endure the challenges of emigration from the Old Country Do not underestimate their contributions They played a critical role in factories and farms in the United States Their lives were building blocks in the growth of their new country

Polish Immigration to America: When, Where, Why and How Stephen Szabados, 2016-08-27 When did your Polish ancestors immigrate where did they leave why did they leave how did they get here Steve Szabados is a wonderful resource He hopes you find the answer to some of these questions in this book This book discusses the history of Poland and gives some insights into possible answers to the questions about your ancestors immigration All three Polish partitions are covered and the material will hopefully clear up your confusion why your Polish ancestors listed that they were born in other countries on early U S documents The book also presents brief histories of most of the ports that were used by Polish immigrants for departure from Europe and the ports where they arrived Also covered are details of life in steerage during the voyage and the process of examination of the immigrants to gain admittance to the United States
