Whiteness Visible Valerie M. Babb, 1998-09 Babb's textual analysis begins by surveying the construction of whiteness in early American writings and material culture and continues through literature of the nineteenth century surveying whiteness in texts commonly acknowledged as standards in U.S. literature *The Last of the Mohicans* and *Moby Dick* She then investigates representations of whiteness in a variety of late nineteenth and early twentieth century cultural creations among them immigrant autobiographies World's Fair expositions and etiquette books Babb convincingly illustrates the ways in which a variety of cultural creations combine to help shape the concept of universal whiteness

*Whiteness Visible* Valerie M. Babb, 1998-09-01 In *Whiteness Visible* Valerie Babb investigates the history values rituals and shared consciousness that created whiteness in the United States as well as the representations that sustain its influence on both cultural and literary vision Babb formulates an understanding of whiteness by tracing its literary and cultural evolution enlisting diverse sources from among others the Han dynasty Aristotle's *Politica* and excerpts from the recollections of white indentured servants Babb's textual analysis begins by surveying the construction of whiteness in early American writings and material culture and continues through literature of the nineteenth century surveying whiteness in texts commonly acknowledged as standards in U.S. literature *The Last of the Mohicans* and *Moby Dick* She then investigates representations of whiteness in a variety of late nineteenth and early twentieth century cultural creations among them immigrant autobiographies World's Fair expositions and etiquette books Babb convincingly illustrates the ways in which a variety of cultural creations combine to help shape the concept of universal whiteness *Whiteness Visible* boldly claims that we can only understand the full significance of race and the ways in which it influences cultural understanding and cultural creation in the United States when we interrogate whiteness and make it visible

**Diversity and Multiculturalism** Shirley R. Steinberg, 2009 This reader demands that we understand diversity and multiculturalism by identifying the ways in which curriculum has been written and taught and by redefining the field with an equitable lens freeing it from the dominant cultural curriculum The book problematizes the issue of whiteness for instance as not being the opposite of blackness or person of color but rather a meta description for our dominant culture Issues are also addressed that are usually left out of the discussion about diversity and multiculturalism this reader includes essays on physical diversity geographic diversity and difference in sexualities This is the quintessential collection of work by critical scholars committed to redefining the conversation on multiculturalism and diversity
