Carpenter, 2019-08-06 This book is written to reawaken awareness of both the beauty of the psalms and their ability to speak with relevance to our contemporary culture a generation in danger of losing the psalmist s voice It is written for those who may have felt marginalized by church or society whether from loss tragedy illness or misuse of power May this generation hear the voice of the psalmist pointing them to a God who desires honest expression who comes close to listen to their cries and points them to a deeper understanding of who he is and how he loves May the words of the psalmist lead them out of isolation and into authentic community The author s approach to the psalms begins with recognition of the intertwining of imagery with the literary structure of the poetry found in the psalms The imagery in the psalms comes from an earthy connection of the psalmist with the land of scripture Understanding the imagery allows the reader to see the psalms and receive the message It deepens the relevance of the psalms to speak into the myriad contexts in our present day multi cultural world Recognition of the religious and social dynamics of ancient Israelite life such as kingship Zion as a place of God s presence and the covenant relationship of a people with their God provide further clues to understanding the message of the psalms Along with the rich imagery present in the psalms this book explores the literary structure of the poetry in the psalms Recognition of key characteristics of Hebrew

poetry allows the words to sing In every psalm a vivid echo of ancient voices resounds building century upon century of expression reaching into the present If one reads carefully the melodies and message can be heard The music of the psalms breathe with life and relevance Psalms are filled with movement to hope and praise Yet they address the reality that life at times hurts The psalmist gives honest voice to pain and affirms God s presence in the darkest moments of life This book explores the importance of lament both individually and in community as a vehicle to healing and a deeper understanding of God s care The book closes with an examination of five select psalms that are representative of different types of psalms found in the psalter They were chosen because of personal relevance Through imagery structure and voice the psalms convey movement from honest expression to hope Hope leads to thanksgiving Praise resounds because of who God is and how he cares

THE ONE WHO COMES AFTER Lisette Coly,2025-07-09 What would you do if you had a world famous psychic trance medium as a grandmother while you concurrently administered the work of a scientifically based nonprofit investigating the paranormal never truly contemplating how your grandmother could be speaking with so called spirits from beyond the grave Suddenly you start experiencing a flurry of psychic experiences yourself coupled with the discovery of transcripts from someone in the spirit world who states they have taken an interest in you and your soul as the one who comes after Would you believe this prophecy or not Of greater importance just what is it that you are supposed to be doing which would be of interest to one residing in unworldly spheres Join me as I am personally deviated onto an unexpected path examining my own life experience while anonymously visiting mediums and sensitives attempting to seek answers and unravel the mystery of just what is expected of the one who comes after
