## Who Does She Think She Is:

*Who Does She Think She Is?* Benilde Little, 2007-10-30 *Who Does She Think She Is* is a richly evocative multigenerational story of three irrepressible women from the bestselling author of *Good Hair* and *The Itch*. Aisha Branch is in the midst of planning her elaborate wedding to a White man from old line wealth when the unthinkable happens she falls for another man hard. All the drama stirs up old feelings in her mother and grandmother and as Aisha confronts a painful dilemma the three Branch women take turns telling their own stories reflecting separately on their lives and relationships. With her signature dry wit, quietly resonant insight and sharp yet compassionate eye Benilde Little deftly explores one family's expectations, anxieties and abiding love.
