*Shakespeare's Library* Stuart Kells,2019-04-02 A tantalizing true story of one of literature s most enduring enigmas is at the heart of this lively even sprightly book Michael Dirda The Washington Post the quest to find the personal library of the world s greatest writer Millions of words of scholarship have been expended on the world s most famous author and his work And yet a critical part of the puzzle Shakespeare s library is a mystery For four centuries people have searched for it in mansions palaces and libraries in riverbeds sheep pens and partridge coops and in the corridors of the mind Yet no trace of the bard s manuscripts books or letters has ever been found The search for Shakespeare s library is much more than a treasure hunt Knowing what the Bard read informs our reading of his work and it offers insight into the mythos of Shakespeare and the debate around authorship The library s fate has profound implications for literature for national and cultural identity and for the global Shakespeare industry It bears on fundamental principles of art identity history meaning and truth Unfolding the search like the mystery story that it is acclaimed author Stuart Kells follows the trail of the hunters taking us through different conceptions of the library and of the man himself Entertaining and enlightening Shakespeare s Library is a captivating exploration of one of literature s most enduring enigmas An engaging and provocative contribution to the unending world of Shakespeariana An enchanting work that bibliophiles will savor and Shakespeare fans adore Kirkus Reviews

Who was "Jack Wilson," the Singer of Shakespeare's stage? An attempt to prove the identity of this person with John Wilson, Doctor of Musick Edward Francis Rimbault,1846

*Acting from Shakespeare's First Folio* Don Weingust,2006-09-27 Acting from Shakespeare s First Folio examines a series of techniques for reading and performing

Shakespeare's plays that are based on the texts of the first complete volume of Shakespeare's works the First Folio of 1623. Do extra syllables in a line suggest how it might be played? Can Folio commas reveal character? Don Weingust places this work on Folio performance possibility within current understandings about Shakespearean text describing ways in which these challenging theories about acting often align quite nicely with the work of the theories critics. As part of this study Weingust looks at the work of Patrick Tucker and his London based Original Shakespeare Company who have sought to discover the opportunities in using First Folio texts acting techniques and what they consider to be original Shakespearean performance methodologies. Weingust argues that their experimental performances at the Globe on Bankside have revealed enhanced possibilities not only for performing Shakespeare but for theatrical practice in general.

**Shakespeare's Attitude Towards the Catholic Church in "King John" ...** father Gerard M. Greenewald, 1938

**All's Well That Ends Well** William Shakespeare, 2016-12-17. *All's Well That Ends Well* is a play by William Shakespeare originally classified as a comedy though now often counted as one of his problem plays so called

because they cannot be easily classified as tragedy or comedy It was probably written in later middle part of Shakespeare s career between 1601 and 1608 and was first published in the First Folio in 1623 The name of the play comes from the proverb All s well that ends well which means that problems do not matter so long as the outcome is good William Shakespeare baptised 26 April 1564 died 23 April 1616 was an English poet and playwright widely regarded as the greatest writer in the English language and the world s pre eminent dramatist He is often called England s national poet and the Bard of Avon or simply The Bard His surviving works consist of 38 plays 154 sonnets two long narrative poems and several other poems His plays have been translated into every major living language and are performed more often than those of any other playwright Shakespeare was born and raised in Stratford upon Avon At the age of 18 he married Anne Hathaway who bore him three children Susanna and twins Hamnet and Judith Between 1585 and 1592 he began a successful career in London as an actor writer and part owner of the playing company the Lord Chamberlain s Men later known as the King s Men He appears to have retired to Stratford around 1613 where he died three years later Few records of Shakespeare s private life survive and there has been considerable speculation about such matters as his sexuality religious beliefs and whether the works attributed to him were written by others
