Wrecking Crew; Poems Larry Levis, 1972 Wrecking Crew Larry Levis, 1972-01-01 **Wrecking Crew : Poems** , 1972

Winter Stars Larry Levis, 2026-02-03 Included in LitHub's Most Anticipated Poetry of 2026 Since the appearance of his first book in 1972 Larry Levis has been one of the most original and most highly praised of contemporary American poets In *Winter Stars* a book of love poems and elegies Levis engages in a process of relentless self-interrogation about his life about losses and acceptances What emerges is not merely autobiography but a biography of the reader a representative life of our time

The Selected Levis Larry Levis, 2013-09-18 Edited and with an Afterword by David St John When Larry Levis died suddenly in 1996 Philip Levine wrote that he had years earlier recognized Levis as the most gifted and determined young poet I have ever had the good fortune to have in one of my classes His early death is a staggering loss for our poetry but what he left is a major achievement that will enrich our lives Each of his books was published to wide critical acclaim and David St John has collected together the best of his work from his first five books *Wrecking Crew* 1972 *Afterlife* 1976 *The Dollmaker's Ghost* 1981 *Winter Stars* 1985 and *The Widening Spell of the Leaves* 1991 It is not an exaggeration to say that the death of Larry Levis in 1996 of a heart attack at 49 sent a shock wave through the ranks of American poetry Not only was Levis a good friend to many poets not simply of his own generation but of many poets older and younger as well his poetry had become a kind of touchstone for many of us a source of special inspiration and awe With Larry Levis' death came the sense that an American original had been lost It is not at all paradoxical that he saw both the most intimate expressions of poetry and the grandest gestures of art of language as constituting individual acts of courage One can only hope that like such courage Larry Levis's remarkable poems will continue to live far into our literature from the Afterword by David St John

Elegy Larry Levis, 1997-11-15 A few days before his death in 1996 Larry Levis mentioned to his friend and former instructor Philip Levine that he had an all but completed manuscript of poems Levine had years earlier recognized Levis as the most gifted and determined young poet I have ever had the good fortune to have in one of my classes after Levis's death Levine edited the poems Levis had left behind What emerged is this haunting collection *Elegy* The poems were written in the six years following publication of his previous book *The Widening Spell of the Leaves* and continue and extend the jazz improvisations on themes that gave those poems their resonance There are poems of sudden stops and threats from the wild an opossum halts traffic and snaps at pedestrians in posh west Los Angeles a migrant worker falls victim to the bites of two beautiful black widow spiders horses starve during a Russian famine a thief sitting in the rigging of Columbus's ship contemplates his work in the New World The collection culminates in the elegies written to a world in which culture fragments in which the beasts of burden the horses the migrant workers are worked toward death a world in which Love's an immigrant it shows itself in its work It works for almost nothing a world in which you were no longer permitted to know Or to decide for yourself Whether there was an angel inside you or whether there wasn't *Elegy* as Levine says was written by one

of our essential poets at the very height of his powers His early death is a staggering loss for our poetry but what he left is a major achievement that will enrich our lives

The Widening Spell of the Leaves Larry Levis, 2013-08-09 The result is a book of discursive meditations that will amply reward the reader Part travelogue part pilgrimage in which the shrines remain hidden until they are recognized later Larry Levis's startling and complex fifth book of poems is about the enslavement to desire for personal freedom and the awareness of its price

Chicorel Index to Poetry in Anthologies and Collections in Print Marietta Chicorel, 1974 *Chicorel Index to Poetry in Anthologies and Collections in Print, 1975-1977* Marietta Chicorel, 1978 *The Afterlife* Larry Levis, 1998 A reissuing of The Afterlife poetry by Larry Levis *Chicorel Index to Poetry in Anthologies and Collections in Print, 1975-1979* Marietta Chicorel, 1979 *Swirl & Vortex* Larry Levis, 2026-02-03

All the blazingly original work by Larry Levis one of the greatest poets of a generation Carolyn Forché The poetry of Larry Levis increasingly occupies a legendary place of reverence among poets and readers the spell of his reputation only continuing to widen in the thirty years since his death From the briefer lyrics and deep image making of his early books to the long sequences and operatic narratives of his last works Levis's poems have an unmistakable signature a way of expressing the sweep of history perception and heartbreak Over his career his poetic lines broadened to accommodate the cinematic aperture of his observations on American empire poverty landscape migrant workers political violence addiction and art Levis's expansive poems came to resemble the interconnecting patterns just discernible in the eddies of a stream or the leaves circling in a wind *Swirl & Vortex* at last makes all of Levis's poetry available in one definitive volume This collection includes the five books published in Levis's lifetime a brilliant reconfiguration of Levis's posthumous books and unpublished late poems edited and with an afterword by David St John To trace Levis's poetic development into his extraordinary late style of fire cut short by his early death is one of the singular experiences in contemporary poetry *Swirl & Vortex* is an essential collection by one of the great poets of the end of the twentieth century and a transformative work spiraling out toward our future

Uncle Charlie's Poems Charles Noel Douglas, 1906 *Poems of Places: America* Henry Wadsworth Longfellow, 1879

Hunting Men Dave Smith, 2006-12-01 In *Hunting Men* poet Dave Smith reasserts the validity of poetry in our times With eloquence grace and a searching intelligence Smith illuminates both poems and poets Believing that great poetry cannot be divorced from an intimate organic link to place he builds a compelling case for the importance of southern poets Like the hunters who taught Smith as a young man patience observation and willingness to rely on his senses he leads readers on an expedition through a specific poetic place with a sure sense of direction and destination Beginning with a discussion of southern poetry that seeks to define the form and its value for a global readership the first of the book's three sections also includes reflections on Edgar Allan Poe John Crowe Ransom Robert Penn Warren and James Dickey In the second part Smith focuses on contemporary poets Richard Hugo Stephen Dunn Stephen Dobyns and Larry Levis among others In the final chapters he examines how he came to be a poet and reflects on the nature and practice of poetry Smith

describes himself as a poet born and raised in the South but never entirely comfortable with the neighborhood or many of the public assumptions about southernness By describing why southern poetry is important to him he reveals why poetry matters to all of us as he asserts the moral weight of regional art My success if it occurs will be to send readers to the books of the poets where the world as they knew it waits and is full of the delights of the unglimped and known The Publishers Weekly ,1923 Poems of Places: Western states Henry Wadsworth Longfellow,1879 **Poems of America** Henry Wadsworth Longfellow,1879 **PRISMATICS: LARRY LEVIS & CONTEMPORARY AMERICAN POETRY** Gregory Donovan,Michele Poulos,2020-03-04 Prismatic Larry Levis he was the star risen out of a constellation of poets coming from Fresno In Prismatic many of our most notable poets offer insightful personal and detailed responses to and assessments of Larry s life and work Especially touching and salient are the interviews with Philip Levine Peter Everwine C G Hanzlicek and David St John Fresno poets and friends who knew him best and who knew Larry from the start They testify to his talent humanity and unmatched originality and voice For lovers of Larry s poetry of contemporary poetry this is an invaluable collection Christopher Buckley author of A Condition of the Spirit As I read through the interviews in Prismatic I found myself pausing in the middle of chapters rather than between them so as to savor the feeling of always being immersed in a rich and rewarding conversation I love the cumulative warmth of this book of so many poets speaking affectionately and thoughtfully about one of the great American poets of the 20th century as friend colleague lover co conspirator and cynosure But more than a commemoration of Larry Levis Prismatic offers meditations on passion creativity self destruction ambition and the nature of literary legacy It s a book as capacious and complex as the poetry of Levis itself Nicky Beer author of The Octopus Game and The Diminishing House **Poems of Charles Warren Stoddard** Charles Warren Stoddard,1917
