Wrestling's New Golden Age Ronald Snyder, 2017-08-08 Ever since the Monday Night Wars where WWE and WCW battled for wrestling supremacy with the WWE coming out on top there was now only one game in town If fans wanted to watch wrestling it was WWE or bust That is no longer the case Wrestling s New Golden Age is both a historical look at the sport while showing how everything has finally come full circle Going back to the past the sport was originally territory based with wrestlers traveling across the country from promotion to promotion From the East coast Jim Crockett WWWF down to Texas World Class and all the way up to Canada Stampede wrestling was run on an individual level But once Vince McMahon Jr came into the picture that all changed While the territory system is long gone indie wrestling is bigger than ever Whether it s ROH CZW NXT NJPW or any of the other numerous promotions wrestling has a new face With information spreading online through social media and video streaming fans are able to watch wrestling on a consistent basis as opposed to only when the WWE is on TV They not only have more options but are able to watch wrestlers travel up the ranks to the big show Now when a wrestler from the indie s makes his WWE appearance he already has a gimmick a storyline and a faithful fanbase As can be seen with CM Punk Daniel Bryan and many others the independent promotions are the new face of professional wrestling Featuring interviews with wrestling stars including Jake Roberts Jim Ross Rob Van Dam Matt Hardy Tommy Dreamer and numerous others Wrestling s New Golden Age shares how the wrestling world has finally come full circle to the joy of fans across the globe
