Excellence In Life Om Prakash Shukal, 2007-10-30 In late 1980s I was controlling a large staff which had their own personal problems but slowly the staff members started approaching me for guidance though this was not part of my official duty as such in the beginning I was reluctant to render any advise but I found that if the problems are not sorted out in a sympathetic manner then this leads to loss of output and at times even led to accidents As such I started given tips and encouraged them to solve their problems
