Understanding Doctrine:

Understanding Doctrine Alister E. McGrath, 1992 Christianity is not and never has been about finding the right combination of words It is about encountering the living and loving God From this truth many people have drawn the wrong conclusion that doctrine is irrelevant except maybe for theologians Yet every time we talk about God Jesus or the Bible we end up making doctrinal statements If our faith is to be coherent and if we want to grow in our faith we cannot avoid thinking about doctrine In this highly readable and much needed book Alister McGrath explains what doctrine is why it is important and what its limitations are He then briefly examines three key doctrines to illustrate his points the Incarnation the Atonement and the Trinity

Understanding Doctrine Richard Underwood, Brian Boley, 2007 The women of faith in this Bible study all have one thing in common they all met Jesus and in an age where women were considered to be second class citizens He devoted time and care to them all As you examine these extraordinary encounters you too can learn about His liberating good news and discover what it means to have true faith

Understanding The Doctrine Kunle Prosper, 2020-07-07 Every keen observer of the unfolding events in Christianity will agree one major aspect in which the church has been bewitched over the years is the area of doctrine The church of Jesus Christ on the earth seems to be bedeviled with uncontrollable winds of doctrine beyond what can be imagined The most pathetic of this matter is in our self righteousness in which everyone seems right in his own eyes However the bible has answers to all questions concerning the issues of doctrine and ordinances in the church This is the focus of the book Understanding The Doctrine In this book you will discover the origin and evil behind many doctrines being practiced in the church today The Holy Spirit will take you along both historic and biblical lines to expose the root of many erroneous beliefs which have now become the norms in the congregations of believers You will understand the meaning of such things as the doctrine of the Nicolaitan the doctrine of Balaam the doctrine of the Pharisees the Sadducees and the doctrine of the devil You will discover when and how image worship the use of the rosary and many other pagan practices crept into the church You will see what the scriptures actually say about women use of jewelries and other forms of adornments You will also understand how to identify the doctrine of men as well as paganisms being practiced among the believers on earth Most importantly you will discover the truth about the doctrine of Christ This becomes paramount as no one can follow Jesus Christ successfully without a good understanding of his doctrine I am confident in the Holy Spirit that the revelation you are about to discover in this book will take you to an unimaginable height in your Christian adventure

Studies in Doctrine Alister E. McGrath, 1997 Four of noted Oxford theologian and teacher Alister McGrath's earlier works are presented together here to provide a clear accessible introduction to doctrine as well as a discussion of three key doctrines of the faith The titles are UNDERSTANDING DOCTRINE UNDERSTANDING THE TRINITY UNDERSTANDING JESUS and JUSTIFICATION BY FAITH

Understanding Christian Doctrine Ian S. Markham, 2017-03-16 The comprehensive and engaging introduction to contemporary Christianity revised

and updated The second edition of *Understanding Christian Doctrine* presents a completely updated and revised edition that builds on the most popular features of the first edition to offer a lively overview to the central beliefs of Christianity Ian S Markham a noted authority of Christianity discusses the great thinkers of the Christian tradition and puts them in conversation with contemporary progressive theologies in a book that goes from Augustine Aquinas and Luther to Liberationist Feminist and Queer theologies Designed to be a basic primer the text is written in a manner that assumes the reader has no prior knowledge of theology or Christian doctrine The book is designed to present the basic options in all the key areas of Christianity as well as information on how to make complex theological decisions The author tackles all the key questions from creation to eschatology Furthermore Markham makes his own distinctive contribution he argues that theodicy traditionally seen as a major difficulty with belief is actually a theme that links many aspects of Christian doctrine The revised second edition includes a wealth of new information including A lively and comprehensive introduction to Christianity that assumes no prior knowledge of the faith An overview to the great thinkers of Christian tradition that puts them in conversation with progressive liberationist theologies Suggestions that help even the most skeptical to learn to understand and possibly embrace theological assertions Breakout boxes that explain the significance of the text s various philosophical ideas and positions The text is ideal for anyone interested in learning about the foundations of Christianity as well as new ideas about the faith Christianity is presented in a manner that embraces the richness of the tradition and affirms the central claims of the historical creeds while engaging with liberationist challenges to the tradition

Faith Speaking Understanding Kevin J. Vanhoozer,2014-09-19 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today s world and explores how disciples can do or perform doctrine Written in an accessible and engaging style *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk

onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together The Apocalypse Explained According to the Spiritual Sense. By Emanuel Swedenborg, Etc. [With the Text. Translated by William Hill. Vol. 1, 4, 5, 6 Revised by Francis de Soyres, Vol. 2, 3, Revised by James Mitchell.] ,1840 The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean Michael Southard,2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth 50 Core Truths of the Christian Faith Gregg R. Allison,2018-02-06 50 essential doctrines clearly and succinctly explained Christian doctrine must be confessed by the church taught from generation to generation and applied to daily life In this volume theologian Gregg Allison unpacks fifty key doctrines of the Christian faith including the foundational doctrines of the nature and works of God the Bible God's created beings Jesus the Holy Spirit salvation the church the end times and more Allison covers each doctrine in a clear engaging way and provides guidance for how to accurately teach them He also explains how the doctrines connect to daily life because he believes that Christian doctrine is not only true belief but also true practice This is an indispensable resource for anyone who desires to form believers in sound doctrine and transform lives for the glory of God **Understanding Biblical Doctrine** Ronald Whitman Nickerson,Douglas W. Kaariainen,2012-10-03 Utilizing resources from Martin Luther and the Lutheran tradition this study offers an understanding of the gospel as promise as key to addressing the challenge of relating the missio Dei to a generous constructive approach toward the religious other In its construction of a Lutheran missiology it retrieves and reappropriates four resources from the Lutheran tradition the gospel as promise the law gospel distinction a theology of grace as promise of mercy fulfilled and a theology of the cross utilizing the hiddenness of God The law of God as accusing yet webbing humanity to its Creator the gospel as the comforting promise of mercy and the hiddenness of God as mystifying form the overarching framework within which the Lutheran missiology presented here seeks to engage the religious other by dialectically relating gospel proclamation and dialogue Such a view of mission shaped by promise offers the paradox of God being both revealed and hidden in the cross as a distinctive contribution to an interreligious dialogue centered on the ambiguity and hiddenness of God
