Understanding Elvis Susan M. Doll, 2016-12-05 Although the importance of Elvis Presley's Southern heritage has long been recognized few have considered the complex connection between the performer's career and his Southern roots This study investigates how that identity affected each stage of Presley's career Elvis Presley's career can be divided into three phases each of which is signified by a specific image Each image is coded by a certain style of music mode of dress and arena of performance The evolution from one career phase to another was instigated by a specific event and represented a deliberate calculation on the part of Presley's manager to attract a wider audience The first stage spans the years 1956 through 1958 after the singer was introduced to a national audience and before he was drafted into the army His image as a notorious rock n roller created a national controversy and was spurred by negative depictions of Presley in the media many attributing his controversial performing style and appearance to his Southern background His music was a fusion of rhythm and blues and country western or two types of music indigenous to the South and foreign to the mainstream entertainment industry based in New York City The second phase of Elvis career included his stint as a movie star in which most aspects of his Southern identity were extracted from his leading man image to enhance his appeal to the mainstream And finally the last stage of his career focused on his image as a Las Vegas performer Despite the gaudy costumes Elvis reconnected to his identity as a Southerner in the 1970s by returning to country music and songwriters as a source of inspiration

Understanding Language Understanding Ashwin Ram, Kenneth Moorman, 1999 This book highlights cutting edge research relevant to the building of a computational model of reading comprehension as in the processing and understanding of a natural language text or story The book takes an interdisciplinary approach to the study of reading with contributions from computer science psychology and philosophy Contributors cover the theoretical and psychological foundations of the research in discussions of what it means to understand a text how one builds a computational model and related issues in knowledge representation and reasoning The book also addresses some of the broader issues that a natural language system must deal with such as reading in context linguistic novelty and information extraction

Elvis After Elvis Gilbert B. Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In *Elvis after Elvis* Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the

appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture *In Search Of Elvis* Vernon Chadwick,2018-02-12 The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators artists and Elvis aficionados from across the worldplus over one hundred internationally based reporterscollected on Oxford Mississippi soil to analyze and celebrate Elvis impact on the world stage From this conference which became front page New York Times Magazine news springs this book the best and brightest essays and artwork swirling around the cultural social political and iconographic figure of Elvis Presley Discussed within are such topics as Elvis as Southerner Elvis as sign system Elvis multicultural audiences Elvis and rockabilly Elvis as redneck the Elvis oeuvre and Elvis religious roots Taken together *In Search of Elvis* represents a daring and groundbreaking academic analysis Richly illustrated with original Elvis inspired artwork this book captures the subterranean essence of one of the most phenomenal artists to have ever lived The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators artists and Elvis aficionados from across the worldplus over one hundred internationally based reporterscollected on Oxford Mississippi soil to analyze and celebrate Elvis impact on the world stage From this conference which became front page New York Times Magazine news springs this book the best and brightest essays and artwork swirling around the cultural social political and iconographic figure of Elvis Presley Discussed within are such topics as Elvis as Southerner Elvis as sign system Elvis multicultural audiences Elvis and rockabilly Elvis as redneck the Elvis oeuvre and Elvis religious roots Taken together *In Search of Elvis* represents a daring and groundbreaking academic analysis Richly illustrated with original Elvis inspired artwork this book captures the subterranean essence of one of the most phenomenal artists to have ever lived *Elvis Culture* Erika Doss,1999 Doss fine arts and American studies U of Colorado Boulder examines the image of Elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a commodity to be protected by Elvis Presley Enterprises Bandw illustrations Annotation copyrighted by Book News Inc Portland OR **Elvis's Army** Brian McAllister Linn,2016-09-06 When the U S Army drafted Elvis Presley in 1958 it quickly set about transforming the King of Rock and Roll from a rebellious teen idol into a clean cut GI Trading in his gold trimmed jacket for standard issue fatigues Elvis became a model soldier in an army facing the unprecedented challenge of building a fighting force for the Atomic Age In an era that threatened Soviet American thermonuclear annihilation the army declared it could limit atomic warfare to the battlefield It not only adopted a radically new way of fighting but also revamped its equipment organization

concepts and training practices From massive garrisons in Germany and Korea to nuclear tests to portable atomic weapons the army reinvented itself Its revolution in warfare required an equal revolution in personnel the new army needed young officers and soldiers who were highly motivated well trained and technologically adept Drafting Elvis demonstrated that even this icon of youth culture was not too cool to wear the army's uniform The army of the 1950s was America's most racially and economically egalitarian institution providing millions with education technical skills athletics and other opportunities With the cooperation of both the army and the media military service became a common theme in television music and movies and part of this generation's identity Brian Linn traces the origins evolution and ultimate failure of the army's attempt to transform itself for atomic warfare revealing not only the army's vital role in creating Cold War America but also the experiences of its forgotten soldiers

The Top Books of the Year Understanding Elvis The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Understanding Elvis : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Understanding Elvis : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
