Langton, 2010-03-22 *The Apostle Paul in the Jewish Imagination* is a pioneering multidisciplinary examination of Jewish perspectives on Paul of Tarsus Here the views of individual Jewish theologians religious leaders and biblical scholars of the last 150 years together with artistic literary philosophical and psychoanalytical approaches are set alongside popular cultural attitudes Few Jews historically speaking have engaged with the first century Apostle to the Gentiles The modern period has witnessed a burgeoning interest in this topic however with treatments reflecting profound concerns about the nature of Jewish authenticity and the developing intercourse between Jews and Christians In exploring these issues Jewish commentators have presented Paul in a number of apparently contradictory ways *The Apostle Paul in the Jewish Imagination* represents an important contribution to Jewish cultural studies and to the study of Jewish Christian relations *The Unknown English Torah Commentator: Marcus M. IRRECONCILABLE DIFFERENCES A LEARNING RESOURCE DAVID. SANDMEL, 2019-06-14

Judaism and Christianity, the Differences (Classic Reprint) Trude Weiss-Rosmarin, 2017-05-15 Excerpt from *Judaism and Christianity the Differences* We have no objection however to Professor Friedrich's definition of judeo christian as an acknowledgment of Christianity's debt to Judaism and of the profound influence of the Hebrew Bible on the New Testament We and there is ample reason to assume that the vast majority of Christians will second this objection oppose however the use of judeo christian in the sense Professor Morgenstern employs it namely to express that the two religions are truly basically one For in point of fact Judaism and Christianity are It basically one but are as Professor Friedrich so aptly states fundamentally opposed to each other Professor Herford was therefore right in prognosticating that Judaism and Christianity can never blend without the surrender by the one or the other of its fundamental principles In view of such authoritative Christian statements it seems strange that Dr Morgenstern blithely asserts that we may truthfully call judeo christianity the religion of tomorrow's better world judaism's Contribution to post war Religion p About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten

JUDAISM AND CHRISTIANITY, THE DIFFERENCES TRUDE. WEISS-ROSMARIN,2018 *Irreconcilable Differences ?* David Fox Sandmel,Christopher Magee Leighton,Rosann M.. Catalano,2014 Where Judaisme Differed Abba Hillel Silver,1956 **Faithful Renderings** Naomi Seidman,2010-02-15 Faithful Renderings reads translation history through the lens of Jewish Christian difference and conversely views Jewish Christian difference as an effect of translation Subjecting translation to a theological political analysis Seidman asks how the charged Jewish Christian relationship and more particularly the dependence of Christianity on the texts and translations of a rival religion has haunted the theory and practice of translation in the West Bringing together central issues in translation studies with episodes in Jewish Christian history Naomi Seidman considers a range of texts from the Bible to Elie Wiesel s Night delving into such controversies as the accuracy of various Bible translations the medieval use of converts from Judaism to Christianity as translators the censorship of anti Christian references in Jewish texts and the translation of Holocaust testimony Faithful Renderings ultimately reveals that translation is not a marginal phenomenon but rather a crucial issue for understanding the relations between Jews and Christians and indeed the development of each religious community
