Literature and Culture in Modern Britain Clive Bloom, Gary Day, 2014-06-11 British culture has changed almost beyond recognition since 1956 Angry young men have been displaced by Yuppies Elvis by the Spice Girls and meat and two veg by continental cuisine What is more as the death of Diana Princess of Wales showed the British are now more famous for a trembling lower lip than a stiff upper one This volume the last in the series examines the transformations in literature and culture over the last forty years An introductory essay provides a context for the following chapters by arguing that although there have been significant changes in British life there are also profound continuities It also discusses the rise of theory and its impact on the humanities Each essay in the volume concentrates on a facet of British culture over the last half century from painting to poetry from the seriousness of the novel to the postmodern ironies of the computing age What we get from this selection is not only an informed history of the relations between literature and culture but also a lively sense of cultural change not least of which is the new found relationship between literature and other arts which ushers us into the new millennium

Citizenship in Modern Britain Keith Faulks, 2019-07-29 This textbook provides an introduction to the theory and practice of citizenship in modern Britain Keith Faulks looks at liberal theories of citizenship including classical social and neo liberal conceptions and outlines the flaws in these theories at both a conceptual level and in practical terms This is done via a detailed examination of the Thatcherite governments of 1979 to 1997 and concludes with an assessment of the future of citizenship under Tony Blair s leadership The author argues that the development of citizenship in Britain has to be understood in terms of the complex inter relationship of the state economy and social change and puts forward a more sophisticated theory for understanding how citizenship has developed in Britain concluding that a truly inclusive and meaningful concept of citizenship must look beyond the limits of liberal theory and the liberal state
