

The background of the book cover is a painting in a style reminiscent of Impressionism or Post-Impressionism. It depicts a city street scene. In the foreground, a large, multi-story red brick building with arched windows and a dark roof is the central focus. To the left, a statue on a pedestal stands on a blue-tinted plaza. The street is painted with broad, expressive brushstrokes in shades of blue, orange, and red. The overall color palette is dominated by these warm and cool tones, creating a sense of depth and texture. The title text is overlaid on the upper portion of the painting.
