Michael R. Leming, George E. Dickinson

Sociology Instructors Internet Edition:

Sex, Self and Society Tracey L. Steele, 2004 SEX SELF AND SOCIETY THE SOCIAL CONTEXT OF SEXUALITY contains 60 edited articles divided into 15 chapters covering a range of issues dealing with human sexuality Focusing on sexuality as both process and as a social institution the book also covers contemporary issues such as abortion and sexually transmitted diseases

Readings in Social Research Methods Diane Kholos Wysocki, 2004 This reader is designed to accompany any main text in research methods or as a stand alone reader It has been closely patterned on the range of topics covered in Earl Babbie s best selling texts THE PRACTICE OF SOCIAL RESEARCH Tenth Edition and BASICS OF SOCIAL RESEARCH Second Edition The reader focuses on the core methodologies of the social research methods course and provides illustrations of those methods The articles describe real world applications and research and show students how research is conducted and reported

Understanding Dying, Death, and Bereavement Michael R. Leming, George E. Dickinson, 2007 Using a social psychological approach this edition remains solidly grounded in theory and research but places greater emphasis on the individual and coping with death and dying These two well known authors and researchers integrate stimulating personal accounts throughout the text and apply concepts to specific examples that deal with cross cultural perspectives and the practical matters of death and dying

Religion in Sociological Perspective Keith A. Roberts, David Yamane, 2011-06-09 Religion in Sociological Perspective is an introduction to the sociology of religion core text designed to present and illustrate the basic theories sociologists use to understand the social dimensions of religion First and foremost the authors seek to help students understand the perspective from which sociologists view religion By the time students have finished this book they should understand the central theories and methods of research in the sociology of religion and they should have an idea of how to apply these analytical tools to new groups they encounter The goal of this text is to be illustrative rather than all encompassing The Fifth Edition continues to draw on a wide range of perspectives The text aims to help students recognize the contributions of various theoretical perspectives and the blind spots of each theory Conflict functional social constructionist and rational choice paradigms are used throughout the text Various middle range theories are also utilized to explore specific processes Despite the effort to introduce many perspectives however we have made an effort to enhance integration of the text by using one framework throughout the book the open systems model

Sociology Joan Ferrante-Wallace, 2006

Social Problems Joel M. Charon, Lee Garth Vigilant, 2005-05 A unique and groundbreaking collection of 54 articles organized in 11 thematic sections SOCIAL PROBLEMS READINGS WITH FOUR QUESTIONS 2e takes a structural conflict approach yet lets the voices of those impacted by social problems be heard The articles are a mix of classic and contemporary readings covering a wide range of issues in the United States and the world The introductory article written by Joel Charon focuses on four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done This four questions approach

gives students a consistent sociological framework within which to analyze social problems The articles have been painstakingly selected to hold student interest highlight contemporary social problems and help professors show students how to think sociologically about the social problems around us Reel Society Interactive Movie CD-ROM Version 2.0 WILL Interactive,2005-01-05 This unique interactive movie on two CD ROMs demonstrates the sociological imagination using actors and scenarios involving campus life Taking on the role of one of the characters each viewer takes part in key plot turns by making choices for the character Through it all a wide variety of issues and perspectives are addressed reinforcing major sociological concepts and theories relating them to students lives and sparking debate One college town many kinds of people imagine yourself as a student at Pineville University What social forces affect the choices you make in life Reel Society is the interactive movie that gives you the chance to find out Society isn't just one person's story So take a different perspective Think differently Live your life as someone different Should you stay home and hit the books Or spend the evening relaxing with friends What's more important your education or your family You decide Experience how cultural differences stratification political systems norms religion and the media affect your life Spark your sociological imagination Learn differently Reel Society 2 0 is the learning tool for bridging the classroom and real life In addition to the interactive movie explanatory text and a glossary this enhanced two CD set includes quizzes and discussion questions to test your knowledge of sociology Plus there are links to the McGraw Hill sociology websites A perfect complement to any introductory sociology textbook Reel Society 2 0 is available in discounted packages with selected McGraw Hill texts *Marriages and Families* Karen Seccombe,Rebecca L. Warner,2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8 13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit *Irm-Soc* Brym,Lie,2004-03 *The Impact of Online Addiction on General Health, Well-Being and Associated Societal Costs* Georgios D. Floros,Konstantinos Ioannidis,2021-05-31 **Aging,**

the Individual, and Society Susan M. Hillier, Georgia M. Barrow, 2007 In the coming years understanding senior citizens will be more important than it s ever been Are you ready AGING THE INDIVIDUAL AND SOCIETY introduces you to gerontology in a compassionate way that helps you understand them and know how to work with them It s balanced between academic and practical discussions and packed with study tools That way you ll ace the class and be ready for the future

Sociology Allyn & Bacon, Incorporated, 2000-07 *Instructor's Edition for Basics of Social Research, 2nd* Earl R. Babbie, 2001-07-01 **Teaching Online** Claire Howell Major, 2015-03-15 Demystifies online teaching for both enthusiastic and wary educators and helps faculty who teach online do their best work as digital instructors It is difficult to imagine a college class today that does not include some online component whether a simple posting of a syllabus to course management software the use of social media for communication or a full blown course offering through a MOOC platform In Teaching Online Claire Howell Major describes for college faculty the changes that accompany use of such technologies and offers real world strategies for surmounting digital teaching challenges Teaching with these evolving media requires instructors to alter the ways in which they conceive of and do their work according to Major They must frequently update their knowledge of learning teaching and media and they need to develop new forms of instruction revise and reconceptualize classroom materials and refresh their communication patterns Faculty teaching online must also reconsider the student experience and determine what changes for students ultimately mean for their own work and for their institutions Teaching Online presents instructors with a thoughtful synthesis of educational theory research and practice as well as a review of strategies for managing the instructional changes involved in teaching online In addition this book presents examples of best practices from successful online instructors as well as cutting edge ideas from leading scholars and educational technologists Faculty members researchers instructional designers students administrators and policy makers who engage with online learning will find this book an invaluable resource **Irm-Soc in Times Ess 4e** Kendall, 2003-03 *Irm Soc in Changing World* Kornblum, 2004-06 **Sociology** John J. Macionis, 2003 For freshman sophomore level courses in Introduction to Sociology that use a comprehensive text As the best selling comprehensive textbook and multi media learning package in the market Sociology 9 e offers students a global perspective to help them better understand their own lives Macionis also provides students with the most current sociological research including hundreds of new research citations as well as recent data from Census 2000 to present a cutting edge picture of life both in the United States and around the world **The Basics of Social Research** Earl R. Babbie, 2008 This thorough revision of Babbie s standard setting book presents a succinct straightforward introduction to the field of research methods as practiced by social scientists Contemporary examples such as terrorism Alzheimer s disease anti gay prejudice and education and the legalization of marijuana make this Fourth Edition thoroughly fascinating as it introduces you to the how tos and whys of social research methods The book s new qualitative coverage combined with its already strong quantitative material makes

this new edition Babbie s best yet Babbie long respected in the field and renowned for his engaging and friendly writing style gives you the tools you need for understanding social research methods and for applying these concepts both inside and outside the classroom as a researcher and as a consumer of research With a strong emphasis on ethics and additional qualitative material this Fourth Edition is authoritative yet student friendly and engaging enough to help you connect the dots between the world of social research and the real world **Soc in Changing Worldim** William Kornblum,2002-08
Guided Independent Study University of Iowa. Center for Credit Programs,2002
