Thomas March, 1896 **History of the Paris Commune of 1871** Prosper-Olivier Lissagaray, 2012-08-21 The classic history of the Paris Commune In 1871 the working class of Paris incensed by their lack of political power and tired of being exploited seized control of the capital This book is the outstanding history of the Commune the heroic battles fought in its defence and the bloody massacre that ended the uprising Its author Lissagaray was a young journalist who not only saw the events recounted here first hand but fought for the Commune on the barricades He spent the next twenty five years researching and writing this history which refutes the slanders levelled at the Communards by the ruling classes and is a vivid and valuable study in urban political revolution one that retains its power to inspire to this day This revised edition includes a foreword by the writer and publisher Eric Hazan *The Paris Commune* CAROLYN J. EICHNER, 2022-03-18 The Paris Commune France's revolutionary civil war rocked the nineteenth century and shaped the twentieth A pivotal moment in history it is the linchpin between revolutionary pasts and futures and as the crucible allowing alternate possibilities Upending hierarchies the Commune became a touchstone for subsequent revolutionary and radical social movements *The Paris Commune* Donny Gluckstein, 2011 For two months in 1871 the workers of Paris took control of Europe's most celebrated capital city When they established the world's first workers democracy the Paris Commune they found no ready made blueprints and no precedents to study for how to run their city without princes prison wardens or professional politicians All they had was the boundless revolutionary enthusiasm of Paris's socialists communists anarchists and radical Jacobins all of whom threw their energies into creating a new society As the city's bakers industrial workers and other ruffians built new institutions of collective political power to overturn social and economic inequality their former rulers sought to thwart their efforts by any means necessary ultimately deciding to drown the Communards in blood By paying particular attention to the historic problems of the Commune critical debates over its implications and the glimpse of a better world the Commune provided Gluckstein reveals its enduring lessons and inspiration for today's struggles Donny Gluckstein is author of *The Nazis Capitalism and the Working Class* and *The Tragedy of Bukharin* He is a lecturer in history in Edinburgh and is a member of the Socialist Workers Party **The Paris Commune 1871** Stewart Edwards, 1971 [The History of the Paris](#)
