Hugh Schonfield

The Passover Plot:

The Passover Plot Hugh Schonfield, 2004-04-01 Finally back in print this special 40th anniversary edition of Dr Schonfield's international multimillion copy bestseller is set to rock the establishment view of the life of Jesus all over again There is probably no other figure in modern Jewish historical research who is more controversial or famous than Hugh J Schonfield who once said The scholars deplore that I have spilled the beans to the public Several of them have said to me You ought to have kept this just among ourselves you know What he did to spill the beans was present historical evidence suggesting that Jesus was a mortal man a young genius who believed himself to be the Messiah and deliberately and brilliantly planned his entire ministry according to the Old Testament prophecies even to the extent of plotting his own arrest crucifixion and resurrection Since Schonfield's death in 1988 his popularity and the interest in his prodigious work which included over 40 books has drawn increasing attention particularly outside Judaism In fact it is probably fair to say that his contribution to the Gentile understanding of Jewish aspirations among those within the Christian cultural framework has been without parallel In true Christian tradition he has also been the cause of much contention In the wake of resurgent interest in religious history spurred by Mel Gibson's *The Passion of the Christ* and Dan Brown's *The Da Vinci Code* this 40th anniversary edition of *The Passover Plot* is set to engage a completely new generation of readers searching for truth [The Passover Plot](#) Hugh

Joseph Schonfield, 1966 *The Passover Plot* Hugh J Schonfield, 2021-06-16 This is the new official Schonfield Trust edition of the *Passover Plot* which is probably one of the most controversial books on the role of Jesus the Messiah Yet to say that might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically Thus it is a must read for who are seeking a better understanding Schonfield's aim in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity he would be able to uncover the real Messiah misrepresented since time immemorial His sincere desire was that this understanding would bring together those who had so long been divided Whilst his thesis that Jesus plotted his own crucifixion may seem far fetched or even offensive at first seen in the light of John's Gospel and the thinking of the times it provides food for thought to those with an open mind **The Passover Plot** , **The Passover Plot** Hugh Joseph Schonfield, 1996

Passover Plot Hugh J. Schonfield, 1977 **The Passover Plot** Hugh J. Schonfield, 1996 Traditional Christian belief firmly based on the divinity of Jesus is now being challenged both by the discoveries of modern science and the research of biblical scholars In this book Dr Hugh Schonfield provides a new interpretation of Jesus an interpretation which in no way detracts from his greatness or uniqueness He argues that as master of his own destiny Jesus directed his life deliberately plotting his actions which were to culminate in his crucifixion and resurrection in order to fulfil the Messianic prophecies **Passover Plot** Schonfield Hugh J. (author), 1901 **The Passover Plot** Jack T. Chick, 2002 [The Passover Plot Exposed](#) Clifford Wilson, 1977 **Hugh Schonfield** Owen Power, 2013-03-13 With this book Owen Power offers the first full length

intellectual history of the thinker Hugh Schonfield 1901-1988 Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus as there is a striking lack of agreement as to their Jewish status among halakhic authorities and there is no real consensus among Messianic Jews themselves in answering the question Who is a Messianic Jew On the other hand the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews Christian missionaries hell bent on enticing Jews from their communities to the welcoming embrace of the Church Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews even if there is among them little consensus as to what such a label means Schonfield's case both reinforces such convictions and problematizes them

Pontius Pilate on Screen Christopher M. McDonough, 2022-10-31 Who is Pontius Pilate Who do the movies say that he is What is truth Pontius Pilate On Screen deals with one of history's most controversial characters From

Monty Python's *Life of Brian* to Mel Gibson's *Passion of the Christ* Pontius Pilate is a figure of evidently endless fascination to filmmakers. The Roman prefect is depicted at times as the hapless victim of machinations beyond his control and at other times as the heartless villain of the piece. If in films about the Passion Jesus represents eternal truth, Pilate symbolises the values of the present, whether it is the lingering trauma of the Holocaust, the ongoing struggle over Civil Rights or the polarised politics of the current day. As filmmakers endeavour again and again to portray in Pontius Pilate a compelling counter figure to Jesus himself, this book considers portrayals of Pontius Pilate in film from the silent era to the twenty-first century. It discusses over 25 films in detail, including Cecil B. DeMille's *King of Kings* (1927), Norman Jewison's *Jesus Christ Superstar* (1973), Martin Scorsese's *Last Temptation of Christ* (1988), Mel Gibson's *The Passion of the Christ* (2004) and Sony's *Risen* (2016). Based on extensive archival research and original interviews with actors, screenwriters and producers, it offers an extended discussion of the history, tradition and reception of Pontius Pilate.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
