The Palestinian Resistance

Nathan Eddington McCormack

The Palestinian Resistance:

The Palestinian Resistance Gérard Chaliand,1972 **Palestinian Resistance** John W. Amos,2013-10-22 Palestinian Resistance Organization of a Nationalist Movement presents the Palestinian conflict as a consequence of the emergence of Arab and Jewish nationalism in the 19th century This book discusses the variables that intersect to produce Resistance politics Organized into 11 chapters this book begins with an overview of the increasing threat to international stability of Middle Eastern conflicts in terms of global impact and military destructiveness This text then examines the emergence of Palestinian nationalism that is connected with the appearance and growth of the Palestinian Resistance Movement Other chapters consider the more complex relationships that developed over time between the various guerilla groups and established Arab governments This book discusses as well the importance of the ANM in providing an infrastructure of political and logistic support that extend throughout the Arab world The final chapter deals with the concept of protracted social conflict This book is a valuable resource for politicians teachers and students *The Palestinian Resistance Movement (in Early 1969)* Gérard Chaliand,1969 In June 1967 there were three Palestinian resistance organizations The PLO Al Fateh and Ahtal al Aouda Those organizations changed in response to the June 1967 conflict as outlined in this presentation *Popular Resistance in Palestine* Mazin B. Qumsiyeh,2010-11-05 Armed resistance suicide bombings and rocket attacks populate the Western media s depiction of Palestinian resistance Synthesising data from hundreds of original sources Dr Mazin Qumsiyeh provides the most comprehensive study of the always creative often peaceful civil resistance in Palestine Successes failures missed opportunities and challenges are chronicled through hundreds of stories from over 100 years of Palestinian resistance The book critically and comparatively surveys uprisings under Ottoman rule against the Balfour Declaration and the Oslo Accords all the way up to the Boycotts Divestments and Sanctions movement The compelling human stories told in this book will inspire people of all faiths and political backgrounds to chart a better and more informed direction for a future of peace with justice **Hamas Contained** Tareq Baconi,2018-05-15 Judicious and impartial this important work adds nuance to the portrait of one of the Middle East s most divisive players Publishers Weekly Hamas is a multifaceted liberation organization that rules Gaza and the lives of the two million Palestinians who live there Demonized as a terrorist group in media and policy debates it has been subjected to accusations and assumptions that have helped justify extreme military action in the region In *Hamas Contained* Tareq Baconi offers the first history of the group on its own terms Drawing on interviews with organization leaders as well as publications from the group Baconi maps Hamas s thirty year transition from fringe resistance to governance Questioning the conventional understanding of Hamas he shows how the movement s ideology ultimately threatens the Palestinian struggle and inadvertently its own legitimacy Baconi demonstrates how Hamas s armed struggle has failed in the face of a relentless occupation and he argues that Israel s approach of managing rather than resolving the conflict has neutralized Hamas s demand for Palestinian sovereignty This

dynamic has perpetuated a deadlock characterized by its brutality and one that has led to the collective punishment of millions of Palestinian civilians

The Revolution Within Yael Zeira, 2019-10-24 Why do some individuals participate in risky anti regime resistance whereas others abstain The Revolution Within answers this question through an in depth study of unarmed resistance against Israeli rule in the Palestinian Territories over more than a decade Despite having strong anti regime sentiment Palestinians initially lacked the internal organizational strength often seen as necessary for protest This book provides a foundation for understanding participation and mobilization under these difficult conditions It argues that under these conditions integration into state institutions schools prisons and courts paradoxically makes individuals more likely to resist against the state Diverse evidence drawn from field research including the first large scale survey of participants and non participants in Palestinian resistance Arabic language interviews and archival sources supports the argument The book s findings explain how anti regime resistance can occur even without the strong civil society organizations often regarded as necessary for protest and thus suggest new avenues for supporting civil resistance movements

The Palestine Strategic Report 2020-2021 Prof. Dr. Mohsen Mohammad Saleh, 2022-08-01 Al Zaytouna Centre is pleased to present to its readers the Palestine Strategic Report PSR 2020 2021 the 12th PSR to be published With an academic methodology and comprehensive objective approach the report details the developments concerning the Palestine issue and provides the latest information and data available at the end of 2021 along with analyses and forecasts This report is the result of collaborative work of 15 experts and researchers In eight chapters it addresses the internal Palestinian scene Palestinian demographic and economic indicators the situation in Jerusalem and the holy sites the specifics of Israeli aggression Palestinian resistance and the peace process the internal situation in Israel politically economically and militarily and Palestine s Arab Islamic and international relations The PSR now occupies a prominent position as an indispensable reference integral to Palestine studies and research Al Zaytouna Centre hopes the PSR will continue to make valuable contributions in this field

The Palestinian Issue: Historical Background & Contemporary Developments Dr. Mohsen M. Saleh , 2014-03-03 This 224 page book presents a general overview of the Palestinian issue by tracing its historical junctures and its current developments For the reader this will facilitate his comprehension of its overall picture the intertwined factors connected to it at any stage and in a logical sequence up to the present stage This book is of special importance to the group of readers who wish to get a general idea of the Palestinian issue or those who do not find time for detailed specialized studies The book is written in a smooth English language and is full of information updated till 2013 all the while retaining a scientific academic and documented wording far from emotional structural discourse In its first chapter the book deals with the background of the Palestinian issue until 1918 It reviews Palestine s history through the ages its geography its Islamic standing and the Jews religious and historical claims in Palestine up to the emergence of the Palestinian issue in modern history in addition to its political developments up to the end of World War I in 1918 The second

chapter highlights the period of the British occupation of Palestine during 1918-1948. It discusses the development of the Zionist project, the emergence of the Palestinian National Movement and the 1936 Palestinian Revolt, as well as the political events that followed up to the 1948 war and its repercussions. The third chapter reviews the issue's developments during the period 1948-1967, focusing on the development of the Palestinian national movement, the birth of the Fatah movement, the establishment of the Palestinian Liberation Organization (PLO) and the war of June 1967 and its repercussions. As for the fourth chapter, it addresses the period 1967-1987 up to the outbreak of the first Intifadah in 1987, shedding light on the emergence of the Palestinian national identity, the development of the Palestinian armed struggle, the Arab countries' role in the Palestinian issue, and the emergence of the Palestinian Islamic Resistance Movement (Hamas). The fifth chapter deals with the period starting with the outbreak of the 1987 Intifadah until the failure of the Camp David negotiations in 2000, going through the inception of Hamas, the transition of the PLO from armed struggle to peaceful settlement, the formation of the Palestinian National Authority, and the developments that Israel had witnessed during the same period. The last chapter in the book reviews the developments that occurred following the outbreak of the al Aqsa Intifadah in September 2000 and until 2013. It is divided into subjects that include the Palestinian resistance, the Palestinian internal situation, the path of the peaceful negotiations, Jerusalem and the status quo, the Separation Wall, and the Israeli internal situation. This book is an important source for readers seeking to acquaint themselves with the Palestinian issue and to become informed of the pertinent facts in a balanced manner. It can also serve as an introduction to further studies of the Palestinian issue.

The Palestine Issue: Historical Background and Contemporary Developments (Revised and Updated Version 2022) Prof. Dr. Mohsen Mohammad Saleh, 2022-09-15. This book seeks to present a comprehensive overview of the Palestine issue, its historical background, as well as its modern and contemporary developments. The book, in a documented, methodical, and concise style and in plain language, delves into the history of Palestine from its early history throughout the Islamic era and the background of the emergence of the Zionist movement, as well as the British occupation of Palestine and the founding of Israel. The book analyzes the various phases of the Palestine issue and its developments, shedding light on the struggle of the Palestinian people, their uprisings and revolutions, and the role of the Palestine Liberation Organization and its factions, as well as the role of the Palestinian Islamic movements. The book places particular emphasis on the first two decades of the twenty-first century so that the reader would be able to obtain a clear picture about many of the issues related to the contemporary aspects of the Palestinian question. The revised and updated edition of the book covers the period up to the year 2021 and contains a large collection of pictures and maps to illustrate its points. The book is an important source for readers seeking to acquaint themselves with the Palestine issue and to become informed of the pertinent facts in a balanced manner. It can also serve as an introduction to further studies of the Palestine issue.

The Palestinian Resistance to Israeli Occupation Association of Arab-American University Graduates, 1970 Arab Palestinian Resistance, 2001

Gender in Crisis Julie Peteet, 1992-02-17 *Gender in Crisis* *The Palestine Strategic Report 2022-2023* Prof. Dr. Mohsen Mohammad Saleh, 2025-02-01 Al Zaytouna Centre is pleased to present The Palestine Strategic Report PSR 2022-2023 now in its 13th consecutive edition. This report provides an academic objective and comprehensive analysis of the developments related to the Palestine issue across various dimensions. It offers up-to-date and accurate information and statistics through the end of 2023, complemented by analytical insights and forecasts. This PSR, prepared by 12 specialized professors and researchers, consists of eight chapters that explore various aspects of the Palestinian situation. It examines the internal Palestinian scene, demographic and economic indicators, and the status of Jerusalem and its holy sites. The report also analyzes the courses of aggression, resistance, and the peace process while providing insights into the Israeli political, demographic, economic, and military landscape. Furthermore, it discusses Palestinian Arab, Islamic, and international relations. Notably, Operation al Aqsa Flood has significantly influenced the report's findings and perspectives. The PSR has consolidated its position as an essential reference in Palestinian studies, serving as an indispensable resource that provides invaluable insights for those interested in Palestinian affairs. Al Zaytouna Centre aspires for this PSR to make a significant qualitative contribution to the field of Palestinian studies.

The Palestine Liberation Organization Daniel Baracska Ph.D., 2011-05-18 This meticulous and in-depth book chronicles the evolution of the Palestine Liberation Organization (PLO), one of the most powerful and influential terrorist organizations in modern Middle Eastern politics and world affairs. The Palestine Liberation Organization continues to exert considerable influence in Middle Eastern politics. Ongoing hostilities between Palestinian militants and the state of Israel have affected the region significantly and continue to threaten prospects for a lasting peace. The PLO has expanded over time to encompass numerous factions that share the vision of liberating the Palestinian homeland with aspirations for governing through self-determination. And with the PLO's financial assets estimated at 8-10 billion, it has the monetary clout to help determine the direction of affairs in the region. This book provides a thorough and systematic analysis of the historical events which culminated in the creation of the Palestine Liberation Organization. It begins with an introduction to key people, places, and events in the history of the PLO that includes the organization's creation and ideological foundations, its support base, financial structure, and recruitment strategies. Later topics include the PLO's role in the politics and affairs of specific countries, including Jordan and Lebanon, recent trends in its existence, and its evolution into being a terrorist organization.

The Sociopolitical Foundations of Palestinian Resistance, 1948-1970 Nathan Eddington McCormack, 2012 Much of the research on the Palestinian Resistance Movement focuses on the period of its most active international terrorism, roughly between the June 1967 Arab-Israeli war and October 1977. These studies focus largely on the violent acts of the movement's operatives and the movement's Marxist political theory during this time. Less has been written, however, about the movement's development prior to 1967 or the relationship between traditional forms of anti-colonial resistance and tribal violence in Palestinian society and the forms of resistance that manifested within the

Palestinian Resistance Movement This thesis analyzes the development of political critiques and theories on the use of political violence within the organizations of Palestinian Resistance between the nakba in 1948 and the 1967 Arab Israeli war tracing them back to the traditional sociopolitical structures that regulated authority and tribal violence in Palestine prior to the twentieth century Due to a variety of economic and political forces at work in the region political authority among Arab Palestinians shifted from rural kinship based networks to urban patronage based networks between roughly 1858 and 1922 This resulted in a disconnection between those wielding political and economic influence and the population s center of mass which remained in the rural hinterlands This dual structure which ultimately contributed to the failure of nationalist Palestinian leaders to effectively harness peasant anticolonial resistance during the British Mandate to strategic ends was a central element in the critique of mid century Palestinian Resistance Movement thinkers and informed the theories they generated during this time As an illustration of Palestinian resistance thought during this period I analyze the content and editorial perspective of Filas n a newspaper published by the Arab Nationalist Movement from 1964 to 1967 Through this newspaper the ANM clearly articulated a position on Arab government and the use of violence for political ends which remained a major influence in the theories of the movement after 1967

The Palestinian Resistance and Inter-Arab Politics Paul Jabber,1971 **The Palestinian Resistance** ,1978* *The Palestinian Resistance Movement* Anthony Nutting,Council for the Advancement of Arab-British Understanding,1967*

The Druze Community and the Lebanese State Yusri Hazran,2014-07-11 One of the fundamental questions of Middle Eastern and Lebanese studies in particular is the history of the relationship between the Druze community and the state in modern Lebanon Arguing that the Druze community has been politically alienated from the Lebanese state this book explores the historical and political origins of this alienation The Druze Community and the Lebanese State contends that the origins of this alienation lie in the state s national ideology its political confessional system and the Druze s historical background during the medieval period Moreover this book examines the extent to which the Druze s attitude vis vis the Lebanese state has been influenced by their historical rivalry with the Maronites Particular emphasis is placed on the political and ideological practices adopted by the Druze leadership and intelligentsia as they dealt with the changes taking place in their community s political status following the political settlements of 1920 and 1943 the establishment of Greater Lebanon and the National Pact respectively A welcome addition to existing literature on Lebanon this book will be an essential reference tool for students and researchers with an interest in nationalism identity and Middle East Politics more broadly

The Iraq Papers John Ehrenberg,2010 This work is a comprehensive document collection of America s misadventure in Iraq The editors have organized the book around the concept of pre emption a policy that represented a significant break with past American foreign policy
