The Path Of Love:

The Path of Love , The Path of Love Muath Rafiq,2025-10-07 Man is like architecture constantly exposed to threatening forces yet with a solid foundation and kind heart he can stand tall in the face of storms Life is a long journey full of surprises what we consider the end may be the new beginning as the key to happiness is to believe in the possibility of change Our hearts don t stay the same and the pain within us is the bridge for healing As life changes us who loves us still finds what s worth waiting for The Path of Love Ronald D. Cowen,2015-02-05 The Buddha was a scientist Instead of using a microscope or a particle accelerator the Buddha used ESP He had several psychic powers that allowed him to perceive in detail the psychology of karma the evolution of consciousness and subatomic particles He discovered love and self love to be organizing principles that evolved early in the history of intelligent consciousness especially with regard to feelings and emotions Every person has the deepest need to love and be loved He solved the mind body problem by perceiving the physical basis of intelligent consciousness These psychic powers are acknowledged in Hindu and Buddhist scriptures but extremely few people have them This book is essentially a meditation report written by someone who has them While this sounds like an invitation to return this book to the shelf in a bookstore it also documents in depth another report by a physicist Stephen Phillips who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist The Path of Love Osho,2014-06-10 Kabir is a 15th century Indian mystic Born a lower caste weaver Kabir opposed superstition empty ritualism and bigotry His teachings include scathing attacks against Brahmanical pride caste prejudice and the very concept of untouchability as well as exposing the dogmatism and bigotry he perceived around him Unusually even for his time he was embraced by disciples who had been raised in both Hindu and Muslim traditions who saw in him the embodiment of a life affirmative approach that transcended the narrow dogmas that divide people and set them against one another A poet weaver husband and father Kabir lived his life as a buddha and yet as an ordinary man His poetic songs tell of the ecstasy and the pitfalls on a seeker s journey on the path of love In this book Osho introduces the reader to this extraordinary mystic and his songs bringing both to light in such a way as to show how they are both timeless and utterly relevant to our time The path of love as described by Osho and though the songs of Kabir is a journey that seeks out and celebrates the divine that is hidden in the ordinary the love that becomes not just a feeling one has but ultimately a state of being that one is Each song of the bird and each cloud floating in the sky is something like a message a coded message You have to decode it you have to look deep into it you have to be silent and listen to the message Walking the Path of Love Anandamai Charlyn Reihman,2020-12-30 The Path of Love is a way of living where love is the foundation of every thought and action a way of being taught and embodied by Swami Kripalu In a book that is as accessible
